## Spotlight on: Soroptimist Annual Cruise Los Angeles to Vancouver aboard "Vision of the Seas"

**W**elcome aboard Soroptimist members, family and friends on Royal Caribbean's "Vision of the Seas"

Departing from Los Angeles April 29, 2007, we will make calls in San Francisco and Victoria, British Columbia before disembarking in Vancouver, British Columbia.

As we sail off into the sunset, say goodbye to Los Angeles as we sail along the coast to San Francisco. You'll have time to explore the city on your own, from Alcatraz, to Lombard Street, the cable cars and

Chinatown to Pier 39 and Fisherman's Wharf, the city is yours for the day.

As we leave our hearts in San Francisco and sail under the Golden Gate bridge we look forward to the beauty of Victoria British Columbia, explore Victoria, the City of Gardens with a visit to world-famous Butchart Gardens or the lush and exotic Butterfly Gardens and end the day with high tea at the world-famous Fairmont Empress Hotel.

Our journey will come to an end in Vancouver British Columbia, but fond memories of new friends, great food and spectacular entertainment stay with us forever.

A Premier Travel will make a donation to Soroptimist for every cabin sold.

For more information or to reserve your cabin, call 800-327-3171 We look forward to welcoming you aboard Vision of the Seas!

### Bon Voyage!

## With A Premier Travel - Travel is FUNdraining

**A**t A Premier Travel, we believe in doing our part to help those in our community who help others. "It is a pleasure to be able to give back to the community by helping non profit organizations raise money for very important programs" said Sandy Gelmini, President of A Premier Travel.

We have assisted many organizations with their fundraising efforts including: Soroptimist Clubs of Whittier and Santa Fe Springs, the Boys and Girls Club of

Whittier, City of Hope Hacienda Heights Chapter and the Rotary Club of Claremont.

Cruises are very popular today, and giving away a cruise vacation as part of a raffle can bring in a lot of money for your organization. Many groups and organizations are planning large group cruises as a way to build community and fellowship while raising money.

Because a cruise is all-inclusive, you don't have to worry about juggling airline and hotel reservations,

arranging meals, planning activities, or seeking out entertainment options — we take care of it all for you.

Call today us to find out more about adding a cruise vacation to your next raffle or auction.

Mention this article, and for every cruise or tour of seven days or longer and A Premier Travel will make a donation in your name to a local charity.

## Highlights of the 2006 Soroptimist Cruise

On February 17, 2006, 88 members of the Soroptimist of Whittier and Santa Fe Springs, their families and friends sailed on Royal Caribbean's "Monarch of the Seas" for 3 nights to Mexico raising a combined total of more than \$6,300 for their respective clubs.

According to Diane Liberti, past president of the Whittier club, we had a great time on the cruise, it was a lot of fun to sail with so many members of the two clubs and to socialize in such a relaxed atmosphere while raising money to support our local Soroptimist initiatives such as providing scholarships to college students, monetary grants to women who need further education to return to the workforce, scholarships to high school students and support to local charitable organizations to name a few. The Whittier club raised \$3,000 by raffling off a cabin and received a

\$990 donation from A Premier Travel for the cabins they sold.

The name Soroptimist means "Best for Women" and I am sure you'll agree the women of the Whittier and Santa Fe Springs clubs live the meaning of Soroptimist.

The Soroptimist members of the Santa Fe Springs and Whittier clubs are cruising their way to building International Goodwill and Understanding.

**We look forward to welcoming you aboard  
our 2007 cruise!**
