

VOYAGES TO THE  
HEARTLAND *of* AMERICA

ABOARD THE GRAND AMERICAN QUEEN  
2012 INAUGURAL SEASON

# STEAMBOATING IS BACK. AND IT'S HERE TO STAY.

*Good news for Steamboating lovers from the Great American Steamboat Company.*

I had the great pleasure of being president of the Delta Queen Steamboat Company during its heyday in the 90s—a time when the company had the highest ratings going for service, entertainment and value. During those years, I developed a passion for Steamboating that has grown even stronger with the formation of the Great American Steamboat Company.

In April of 2012, the grand *American Queen* will resume her proud role of taking guests on Steamboating adventures through the heartland of America. Once again, you will be able to enjoy these unforgettable river voyages with your family and friends.

The Great American Steamboat Company gives you everything you loved about the Delta Queen Steamboat Company and more. By combining all the best attributes of the steamboat experience, we've taken Steamboating to a totally new level of historical enrichment, cuisine, comfort and service.

We offer all the adventures and amenities that have made Steamboating such a cherished American tradition—the history and heritage, the warm ambiance of a floating antebellum mansion, the thrill of exploring Mark Twain's America, the succulent dining, the showboat-style entertainment, and dancing the night away to the sounds of Dixieland jazz, swing and big band music. Combine this with gracious service from an all-American staff and you have an experience that can only be found aboard the *American Queen*.

We've also added a host of new features to make Steamboating more of a value than ever before. For example, shore excursions are now included in the price of your voyage if you make reservations by December 31, 2011. We're also offering complimentary soft drinks and bottled water, as well as complimentary wines and beers at dinner. And you'll be delighted to know that the *American Queen* will be serving the acclaimed cuisine of famed American chef Regina Charboneau.

Steamboating is indeed the ultimate American vacation. And because it is an American vacation, you don't have the inconveniences you face when you leave our shores, like red-eye flights, currency conversion and other travel hassles.

Make this the year you rediscover America. To find out more about the *American Queen*, our vacation packages and all-new shore adventures, contact your favorite travel agent. # LET THE ROMANCE OF THE RIVERS CARRY YOU AWAY.

# THE GRAND AMERICAN QUEEN

The largest steamboat ever built, the grand *American Queen* is a gracious and elegant triumph of American ingenuity.

Although filled with today's modern amenities, her rooms and accommodations display all the opulence of the American Victorian era. Glistening woodwork, fresh flowers and antiques adorn her interior spaces. Outside, lacy filigree evokes memories of the many stately river steamers that preceded her and so inspired her designers.

While on board, you can select a volume from the vast collection in the Mark Twain Gallery, the boat's library. Or enjoy a sing-along in the Main Deck Lounge, and then tap your toes to a lavish show in the two-deck-tall Grand Saloon, the most elegant showplace on the river.

Combining the best of the old and the new, this beautiful lady of the river epitomizes the grace and grandeur that has made Steamboating a cherished American tradition for more than two centuries. One voyage and you'll see why.

### GUARANTEE AND RATE

Once we have received your deposit or full payment, the cruise rate is secure. In the event of substantial increases in operating costs, tariffs or taxes prior to the sailing date, we reserve the right to add a surcharge. Additional governmental taxes and customs fees may apply. All assessed government or quasi-government fees and taxes are subject to change without notice at any time, and we reserve the right to add a surcharge for these fees and taxes whether you have a confirmed booking under deposit or have made final payment. All rates and information in this brochure were in effect at time of printing and are subject to change. The Carrier reserves the right to charge a fuel supplement without prior notice should the closing price of fuel increase. Such supplementary charges are not included in the voyage fare.

### CANCELLATION POLICY

Should you need to cancel your voyage or vacation package, you must contact the Great American Steamboat Company. ### TRAVEL INSURANCE INFORMATION

Cancellation insurance is available at a reasonable cost from various insurance providers and is strongly recommended. Policies can be obtained that provide protection in the event of trip cancellation, preexisting medical conditions, trip interruption, personal injury or damage to property. We strongly suggest that you purchase travel insurance to cover 100% of your vacation cost as there are no exceptions to the cancellation penalties. Cancellation and trip interruption insurance is available through our company by Trip Mate. Please call our Reservations Department for further information.

### MEDICAL ATTENTION AND SPECIAL NEEDS

We require advance notice (at time of reservation) from Guests who may need some

kind of special attention or accommodation. This will allow our crew to better serve them and make their Steamboat vacation a most enjoyable experience.

Physically challenged individuals are welcome aboard, and the staff gives very special attention to their needs. Certain safety regulations (raised thresholds, for example) may cause minor difficulty for the mobility-impaired. Increased wheelchair-accessible accommodations are available on the *American Queen*, which has elevators and hallways that aid convenience. Carrier reserves the right to refuse or revoke passage to anyone who is, in sole judgment of Carrier, physically or mentally incapable of traveling on the steamboat vacation or who may require care beyond that which Carrier can provide. No medical facilities, personnel or treatment of any kind is available on board. In an emergency, professional medical assistance may take several hours to reach the steamboat.
