Take time to explore Hong Kong and other world-class cities on an Azamara Extended Voyage.

*Longer stays. More overnights.
Night touring.*

We've done the work of putting together Extended Voyages we know you'll love—like a 26-day voyage through the Trade Routes of the Orient to Japan, Taiwan and Hong Kong (see page 42). Discover the adventures that are just waiting for you to say “yes.”

The Art of the Extended Voyage.

Every Azamara Club Cruises® voyage will deepen your appreciation of our amazing world. There's something transforming about a longer voyage, with so many additional opportunities for discovery and insight.

Imagine six weeks to experience the diverse cultures of Asia. Or a month at the peak of summer to explore the sparkling fjords and cities of Northern Europe. Lazy fall days sailing the French Riviera, Amalfi Coast, and Greek Isles. Or an odyssey down the coast of South America—then on to the stunning landscapes of Antarctica.

Live your dream. An Extended Voyage with Azamara Club Cruises seamlessly joins two, three, four or more consecutive voyages into one incredible experience. Rather than a week or two, take a month or more to explore a favorite part of the world, or to sail to continents oceans apart. With dozens of options for Extended Voyages, the choice is yours. Simply pick your season and destinations, then determine the length of voyage that's right for you. Extended Voyages are flexible, ranging from two weeks to two months or longer.

Exceptional voyages to one-of-a-kind destinations. Join Azamara in 2011-2012 as our two ships voyage to northern and western Europe, the Mediterranean, Asia, the West Indies, and South America. Nearly half of all port visits on Azamara Club Cruises feature overnight or late-night stays, giving you ample opportunity to explore local culture on your own or with our superb onshore Land Discoveries®. Wherever your dream leads, we have an Extended Voyage to make it come true.

Itineraries begin on page 12.

A grand adventure, or a relaxing vacation? You can have both on an Extended Voyage with Azamara Club Cruises®. There's no better way to experience multiple countries and destinations while enjoying consistently fine cuisine, accommodations and service. You'll be amazed by how much you've seen by the time you arrive home rested and refreshed, with memories to last a lifetime.

A more efficient way to travel. Many Azamara Club Cruises® guests return home with one lament: They wish they'd seen more of a region while they were there. This is one regret you'll never experience when you combine multiple shorter voyages into one amazing Extended Voyage. And it's so efficient! You'll plan, pack, and pay for round-trip airfare just once. An Extended Voyage is like several vacations with a fraction of the work.

A better way to relax. An Extended Voyage with Azamara Club Cruises gives you more time to unwind, revitalize, and reconnect with loved ones in a uniquely serene environment. Unlike land-based touring where you're constantly shuttling between hotels, airports and cabs, on Azamara you'll spend days between destinations at the pool or pampering yourself in our soothing spa. And throughout your Extended Voyage, you can stay connected with the world back home through our onboard wireless internet services.

Exceptional savings. At Azamara we love to reward our loyal guests, particularly those who travel with us on longer or more frequent voyages. Book two consecutive voyages of eight nights or less, and we'll reduce your fare by \$600 (\$300 per voyage/per stateroom). For two consecutive voyages of nine nights or longer, the savings grow to \$800 (\$400 per voyage/per stateroom). Savings continue to grow with each voyage you add.

Azamara means value.

Every fare includes generous extras that really add up on longer voyages:

- ✦ **Gratuities for housekeeping, dining and bar staff.**
- ✦ **Bottled water, soft drinks, specialty coffees and teas.**
- ✦ **Boutique red and white wines at lunch and dinner.**

The Longer Your Voyage, the More You'll Appreciate the Differences That Define Azamara Club Cruises.®

Destination expertise is our forte. Our reputation is built on delivering what worldly travelers want most: a sophisticated experience by sea paired with eye-opening explorations on land. And you'll see so much more when you travel with Azamara Club Cruises®! Nearly half our port stops are overnight stays or late-night departures, giving you time to see the sights by day and experience your destination in a completely different way by night.

Fresh and elegant accommodations. Sailing with Azamara Club Cruises is like staying in a fine boutique hotel, with modern furnishings, plush bedding, gracious service, and a choice of excellent restaurants paired with an exceptional wine cellar. Evening entertainment can be convivial or serene: enjoy live music and dancing, playing in the casino, or sipping a cognac under a blanket of stars. Sophisticated but never stuffy, our ships are lovely places to call home for Extended Voyages.

To your health! A longer voyage gives you time to shed stress and focus on healthy relaxation. Work out in Azamara's well-equipped fitness facilities, followed by an afternoon massage in the spa. If you like to walk or jog, the view doesn't get any better than from our track overlooking the open sea. You'll also enjoy outdoor fitness at every destination, from historical walking tours to bike rides through beautiful towns and countryside.

Superior value. Many cruise lines charge for dozens of extras that add considerably to your costs by the end of a voyage. On Azamara Club Cruises, that's never the case. Every fare includes gratuities for housekeeping, dining and bar staff. And throughout your voyage you'll enjoy complimentary bottled water, soft drinks, specialty coffees and teas, boutique winery selections with lunch and dinner, self-service laundry, and English butler service for suite guests. We also offer free shuttle service to and from ports, where available.

Extended Voyages mean more time to enjoy Azamara's comfortable staterooms with all the amenities of a fine boutique hotel. For those who love to entertain, our spacious World Club Owner's Suite (top) with separate living room is the ideal choice. Or choose a Club Veranda stateroom (above), where you can open the door to ocean breezes and enjoy morning coffee as you plan your day.

Enjoy the boutique hotel ambiance of the Mosaic Café, a friendly gathering place and hub of lively conversation. Have a cappuccino or tea with cookies while you share stories of the day's adventures.

While in Bordeaux, you'll want to visit Saint Emilion in the Gironde Valley, shown here, home to some of the world's most famous chateaux. Or join a tour to the equally famous chateaux of Sauternes or Margaux. An overnight stay leaves time for an evening of dining and entertainment in stately Bordeaux.

Great cities take on a different personality as day settles into night. That's why Azamara gives you more late-night departures, overnight stays, and opportunities for night touring. With a late stay on Mykonos, you can enjoy a late-afternoon glass of wine on the Little Venice waterfront. As the sun goes down and the nightlife heats up, you'll be glad there's no need to hurry.

How to Embark on the Voyage of Your Dreams.

The toughest question: How to choose among all the places you'd love to see? The easy answer: Start with Azamara's Extended Voyage itineraries. We recommend browsing them all to understand your great variety of choices. You're sure to find Azamara Club Cruises® just about anywhere you want to sail!

Extended Voyage itineraries for June 2011 through December 2012 start on page 12. Using the itinerary below as an example, here are some simple search tips:

- + **To search by month:** Simply locate the month(s) you'd like to travel in the "Date" column. Be sure to consider options on both ships.
- + **To search by destination:** For major destinations at a glance, take a look at the bold-faced voyage names next to the circled number of nights. The individual voyages that follow offer a quick view of all port stops.

Warnemunde (Berlin), Germany

From the seaside resort town of Warnemunde, take a Land Discovery excursion through the bucolic countryside to historic Berlin. See the Brandenburg Gate and historic **Reichstag** building with its domed glass ceiling, and enjoy the bustling cafes, restaurants and galleries at the city center. Treat yourself to a traditional German meal, then enjoy tours of museums, WWII monuments, and the site of the former Berlin Wall.

Stockholm, Sweden

Lovely Stockholm sports modern architecture and fairy-tale palaces. One-third of its area is devoted to green space, and another third to waterways, providing room to breathe and relax. Meander along narrow paths in old **Gamla Stan**. For the contemporary set, there's Södermalm—the site of Stieg Larsson's novels—with lively restaurants, bars and boutiques. Take a Royal Canal tour of the waterways, or visit the Royal Palace or Vasa Museum.

Tallinn, Estonia

In 1988 this city united in a famous “Singing Revolution” against Soviet rule, which put Estonia on the path to independence. Visit St. Olav's Church or relax in a café in the charming **town square**, the heart of the city for 800 years. Take a walking tour of Gothic architecture and explore St. Catherine's Passage, a quaint lane bustling with crafts workshops. Learn about Tallinn's secret 17th Century tunnel system, and don't miss a taste of famous Estonian marzipan!

Dublin, Ireland

Dublin is a city of storied castles, monuments, lush parks and world-famous pubs. Visit historic **Malahide Castle** and St. Patrick's Cathedral, and pay homage to Dublin's writers and playwrights—Joyce, Yeats, Shaw, Wilde and Beckett, to name a few. The pub scene is deeply integrated into local life, and you'll want to do your own exploring. Stop in at The Brazen Head, where you can sip a Guinness and ponder the beauty of a local pub that has served patrons for 800 years.

Lisbon, Portugal

Lisbon's magnificent harbor was an ancient trading port, and then a point of departure for 15th century voyagers such as Vasco de Gama. Today the city has made a new name for itself as a center for art, film and design. Stroll the monument-studded grand boulevards and central Rossio Square, and don't miss the gothic **Jeronimos Monastery** erected in 1502. With an overnight stay you can visit Sintra, one of the most beautiful places in Portugal.

Reykjavik, Iceland

Shaped by fire and ice, Iceland's volcanic landscape is a collage of lava fields, craters, waterfalls, and mountains. Take advantage of your overnight stay to explore this remarkable island-nation, perhaps visiting **Glymsgil Canyon** or Iceland's mineral-rich Blue Lagoon before soaking in a geothermally heated pool. You'll also be inspired by Iceland's modern museums, fine restaurants and vibrant nightlife.

Bordeaux, France

As the **gateway to one of the world's premier wine-growing regions**, Bordeaux's fortunes have long been aligned with fine vintages. This beautifully restored city boasts monumental buildings, exquisite mansions, and fine cuisine and nightlife. The nearby countryside is dotted with wine chateaux sporting impressive appellations such as Pauillac, Sauternes, Margaux, and Saint-Emilion. Take a Land Discovery excursion and sample wines while learning about the terroir of this world-famous region.

Seville, Spain

Azamara brings you closer to the center of Seville, a 2,000-year-old city. You'll want to explore **Seville's impressive Cathedral**—one of the largest in the world—along with Reales Alcazares, a palace decorated in lavish Moorish style. Explore the Santa Cruz Quarter, the old Jewish area of the city packed with artisan's shops and cafes. Save your appetite. Seville is credited as the birthplace of tapas, and you will want to graze from bar to bar.

Barcelona, Spain

Visit Gaudi's world-famous Church of La Sagrada Familia and see his other fantastical works, such as the towers on the rooftop of **Casa Mila** shown above. With an overnight stay, you'll have time to view the great art of El Greco, Dali and Picasso, stroll the bustling tapas bars of Las Ramblas, and take in a flamenco performance in this city that awakens after dark. You might also visit the beautiful monastery atop Montserrat and catch a performance by one of the oldest boys choirs in Europe.

Capri, Italy

Just off the coast of Naples, the **Isle of Capri** has a lovely coastline marked by secluded beaches and hidden caves, including the famous Blue Grotto with its intense azure waters. Anacapri's old town makes for fascinating walks along secret pathways, with the popular gathering place La Piazzetta at its center. Take the chairlift to the top of Mt. Solaro, the highest peak on the island, for panoramic views.

Drive along a strip of the Grand Prix Motor circuit with an Azamara Land Discovery, and cap off your evening with a trip to the Grand Casino.

Dreams of a great European city can be seen in the Customs House, the Teatro Amazonas, and the lavishly adorned Church of St. Sebastian. But the real draw of this port is its proximity to the magnificent **rainforests of the Amazon**, which you'll have an opportunity to explore as part of an Azamara Land Discovery excursion.

London, England

See the panorama from the London Eye, then sail the River Thames past the Houses of Parliament, Big Ben, the Tower of London, and other monumental sights. With an overnight stay, you'll have time to explore London's pubs, great parks and gardens, and the world-famous British Museum. Enjoy evening theater in the West End, then join a countryside tour of Royal Windsor or **Leeds Castle** and Canterbury the next day.

St. Jean de Luz, France

This prosperous coastal town is notable for its architecture, sandy bay, and **exceptional Basque cuisine**. Marvel at the baroque altar in the magnificent Church of St. John the Baptist, where Louis XIV married Marie-Therese of Spain in 1660. Around the town's main square you'll find fabulous seafood restaurants—among the best in the Cote Basque—along with bars and terraces where you can relax and listen to music in the evening.

Bilbao, Spain

Bilbao wasn't a household name until Frank Gehry's must-see **Guggenheim Museum** was opened in 1997. Located in the heart of Basque Country on a lovely estuary, Bilbao draws visitors from all over the world with its fine museums, restaurants, and nightlife that continues into the wee hours of the morning. In addition to the Guggenheim, visit the Fine Arts Museum and Teatro Arriaga, Bilbao's opera house.

Rotterdam, The Netherlands

This dynamic metropolis has been called “Manhattan on the Maas.” Azamara brings you here in July, peak season for the city’s eclectic music festivals. With an overnight stay, you’ll have time to visit museums, shopping districts and attend the renowned North Sea Jazz Festival. See a 360-degree view of the city from the Euromast Observation Tower, and don’t miss the **modern cube houses, designed by Piet Blom**, tilted at 45 degrees.

Rouen (Paris), France

The museum town of Rouen is a treasure trove of churches, mansions, and restored half-timber houses dating back to the Middle Ages. It is also home to the Rouen Cathedral of Notre Dame, which took four centuries to construct. Just two hours away is Paris, a city that deserves multiple trips. Whether you love The Right Bank, The Left Bank, or strolling the Champs-Élysées with its famous view of the **Arc de Triomphe**, there is no wrong way to see the City of Light.

St. Tropez, France

St. Tropez on **the French Riviera** has long been known for the fabulously wealthy jet-setters who idle away their time here on sun-drenched beaches. Spend an afternoon strolling the old town, overflowing with restaurants, trendy boutiques, and galleries. Learn to play the classic Southern French game of Pétanque at the Place des Lices and follow your lesson with an aperitif. For mesmerizing views, head up to the 16th century Citadel. The clear light of the South of France inspired the birth of modern painting, and you'll understand why Matisse and David Hockney are among the world-famous artists who lived and worked here.

Santorini, Greece

Santorini is a vision of paradise: whitewashed villages cling to cliff sides, bright blue roofs reflect the sea and sky, and the famous black-sand Perivolos Beach is within close range of the port. As you sip wine and taste local mezes (Greek snacks), or journey to the pedestrian-only capital of Fira to wander its narrow cobblestone alleyways, you may believe the myth that this volcanic Greek isle is the birthplace of gods. **Don't miss Oia, a gorgeous village that offers panoramic views from atop its cliffs.**

Rhodes, Greece

The Colossus of Rhodes, one of the “Seven Wonders of the Ancient World,” is the star attraction of **this remarkable island notable for its ancient architecture.** You’ll marvel at the fortified palace complete with a moat and drawbridges erected by the Knights of St. John in medieval times. Other sites include the Acropolis of Rhodes, the famous Rhodes Windmills, and the rebuilt 15th Century Palace of the Grand Master.

Kos, Greece

Kos reflects the rich history of classical Greece and the Knights of St. John, who held the island for two centuries in the late Middle Ages. Tour the remains of the Knights’ impressive fortress and the many Grecian ruins on the island. Then **walk the palm-lined paths of the colorful and charming town** below, where homes with white colonnades are accented by gardens of bright hibiscus. Kos was also the home of Hippocrates, the father of medicine, who was born here about 460 BC.

Kotor, Montenegro

On Azamara's smaller ships, you'll reach Kotor after a breathtaking 75-minute cruise through the **Bay of Kotor**, southern Europe's deepest and arguably most beautiful fjord. Once part of the Roman Empire, Kotor is one of Europe's best-preserved cities of medieval and Renaissance vintage, distinguished by its cobble-stoned streets, red-tiled roofs, and thousand-year-old churches. Explore the ancient Venetian ramparts that wrap around the city on foot or as part of a biking tour.

Sorrento, Italy

Sorrento has been a playground for the rich and famous for centuries, and more recently a haven for artists, writers, politicians, philosophers and aristocrats. Today lavish villas and palaces dot the landscape and only add to the beauty of this magical place. Join an Azamara Land Discovery to visit the famous island of Capri and the ruins of Pompeii, the ancient city destroyed by Vesuvius in 79 AD. **Tour the stunning Amalfi Coast** before picnicking at a local farm, feasting on fresh local delicacies while resting in groves of lemons and olives.

Antalya, Turkey

Antalya's many archeological treasures include Hadrian's Gate, the triple-arched portal to the city built in 130 AD. The city's historic town center is defined by a maze of narrow streets and wooden homes from bygone empires, now restored as private residences, boutique hotels and restaurants that bring new life to this **old quarter waterfront**. Join a Land Discovery tour of the Greco-Roman Amphitheater, the Archeological museum, and Termessos, the only ancient city to survive the attacks of Alexander the Great.

Goa, India

Known for its white sand beaches, World Heritage architecture, richly decorated churches, and biodiversity, Goa is India with the flavor of Portugal. The Portuguese arrived in the 16th century, made a fortune in the spice trade, and didn't leave until 450 years later. They left behind a rich architectural heritage in Old Goa, along with the custom of siesta embraced by the local population. While here, enjoy a day excursion to the surrounding countryside's **village markets**, spice plantations, or to a wetland sanctuary for exquisite bird-watching.

Bangkok, Thailand

On Azamara's smaller ships you'll see a panorama of life as you sail up the bustling Chao Phraya River before docking within close proximity of Bangkok. With up to two days in port, you'll have time to explore **Bangkok's Buddhist temples** and storied palaces, shop for brilliantly colored Thai silks, and enjoy the city's tantalizing cuisine and legendary nightlife. Extend your experience with an overnight visit to legendary Angkor Wat.

Danang (Hue), Vietnam

Take a Land Discovery excursion to Hue, the seat of power of the Nguyen dynasty. Explore the forbidden city, similar to the one in Beijing, with a fortified citadel and monumental entry gates. You'll also want to explore **Hoi An's old quarter** of two-story shop houses with elaborate wooden facades and tile roofs. Don't miss a bike tour through countryside villages and brilliant green rice fields—truly a highlight of your time in Vietnam.

Take a sampan tour of Hong Kong's Aberdeen Harbor, famous for its floating village and huge seafood restaurants.

Borobudur, Indonesia

The Borobudur Temple Compound is one of the world's greatest Buddhist monuments. Built roughly 300 years before Angkor Wat, the gigantic structure rises from a hill in three layers, ascending to the breathtaking main stupa. As you approach the top, reliefs sculpted in stone tell the story of Buddha and the path to redemption.

Shanghai, China

Ancient art and dynamic modernism exist side by side here. Walk the historic Bund with its early 20th century buildings and wharves, and visit classically designed Yuyuan Garden, a maze of pavilions, ponds and bridges built in 1559. Riches await you at the Shanghai Museum, including a bronze collection considered the world's best. Modern China flexes its muscles in Jinmao Tower, the high-speed Maglev train, and the premier shopping and neon lights of Nanjing Road.

Busan, South Korea

This bustling coastal port is famous for Yonggungsa Park, beaches and hot springs, and beautiful temples. You won't want to miss the huge **Jagalchi Fish Market**, the largest in Korea, with displays of fresh, dried and steaming seafood that seem to go on for miles. To view more than 1,500 years of Korean history, visit Gyeongju, an outdoor museum of historic buildings, temples and artifacts.

Benoa, Bali, Indonesia

Bali's unique Hindu-infused spiritual culture lives in natural harmony with this island's breathtaking landscapes. Neon green **rice terraces**, sandy beaches, steep mountains and jagged coastlines compete with the beauty of Bali's man-made temples—you won't believe Tanah Lot and Pura Batu Balong. Take in a gamelan performance, watch a monkey dance, go bird-watching, and explore Balinese sculpture, painting, leather and metalworking.

Manila, Philippines

An Asian capital with a Spanish influence, Manila is a cosmopolitan city with a great architectural heritage despite World War II destruction. See Malacanang Palace, the historic Manila Hotel, and Intramuros, the Spanish walled settlement of museums, ruins and the magnificent Manila Cathedral. Catch one of Manila's dramatic sunsets along the Baywalk, and if you're feeling brave, take a ride in a **Jeepny**, a popular form of transportation.

Mumbai, India

This is the India of entrepreneurs, a **vibrant cosmopolitan hub of culture** and cuisine. Take in the grandeur of Victoria Terminus, which serves half a million commuters daily, and the Gateway of India, Mumbai's greatest landmark. Walk the beachside promenade of Marine Drive, explore the city's abundant temples, or shop at the mind-boggling Thieves Market, named after Ali Baba. At night, be sure to visit the Taj Mahal Palace hotel and restaurant and sample the lively bar and pub scene.

Corfu, Greece

Nature and history entwine on this lovely island of castles and ancient ruins, panoramic views, beautiful beaches, and picturesque villages. Corfu is lush and green, with a temperate climate that supports a bounty of figs, grapes and olives, and a breeze that carries the scent of orange and lemon blossoms.

Visit the old town that reflects 400 years of Venetian rule, the Achillion Palace high in the village of Castouri, or beautiful Paleokastritsa Bay. Spend a long evening at a taverna, sampling local fragrant meat stews, shellfish and lamb.

Constanta, Romania

Romantic Transylvania, made famous by Bram Stoker's Dracula in 1897, is home to hundreds of castles, fortresses and fortified churches surrounded by the forests of the Carpathian mountains. An inland trip from the port at Constanta, Transylvania will delight history buffs and outdoor enthusiasts who will love the lush native flora and old-growth forests. Visit **Dracula's Bran Castle**, try the local specialties of Bulz, Sarmale, Gulash, and of course, Ursus black beer, one of the world's great dark lagers.

Istanbul, Turkey

Istanbul marries East and West in its history, modern-day cuisine and nightlife. View a wealth of ancient monuments, including the **Hagia Sophia**, Blue Mosque, and Topkapi Palace, or the beautiful Beylerbeyi Palace and Maiden's Tower on the Asian side of the Bosphorus. Wind your way through the maze of the Grand Bazaar for an experience you'll never forget. You'll be delighted to have an overnight stay to enjoy Istanbul's legendary cuisine, performances and nightlife at venues including Ciragan Palace.

Odessa, Ukraine

Rising from a steppe above the Black Sea, this Southern Ukraine city is a blend of Russian and Mediterranean influences. Walk the grand Potemkin Stairs, the formal entrance to the city leading to Pushkin Statue and Odessa City Hall. Visit the Fine Arts Museum—a former palace that is a work of art itself—for masterpieces of Russian, Ukrainian and Soviet art. Stroll Deribasovskaya Street for **Ukrainian handicrafts**, and enjoy a traditional meal of potato dumplings, borscht, stuffed cabbage and Chicken Kiev.

As the famous laser show lights up the night sky against a jeweled city, you know this is a sight you'll never forget. Take time to explore Hong Kong and other world-class cities on an Azamara Extended Voyage.

*Longer stays. More overnights.
Night touring.*

We've done the work of putting together Extended Voyages we know you'll love—like a 26-day voyage through the Trade Routes of the Orient to Japan, Taiwan and Hong Kong (see page 42). Discover the adventures that are just waiting for you to say “yes.”

The Art of the Extended Voyage.

Every Azamara Club Cruises® voyage will deepen your appreciation of our amazing world. There's something transforming about a longer voyage, with so many additional opportunities for discovery and insight.

Imagine six weeks to experience the diverse cultures of Asia. Or a month at the peak of summer to explore the sparkling fjords and cities of Northern Europe. Lazy fall days sailing the French Riviera, Amalfi Coast, and Greek Isles. Or an odyssey down the coast of South America—then on to the stunning landscapes of Antarctica.

Live your dream. An Extended Voyage with Azamara Club Cruises seamlessly joins two, three, four or more consecutive voyages into one incredible experience. Rather than a week or two, take a month or more to explore a favorite part of the world, or to sail to continents oceans apart. With dozens of options for Extended Voyages, the choice is yours. Simply pick your season and destinations, then determine the length of voyage that's right for you. Extended Voyages are flexible, ranging from two weeks to two months or longer.

Exceptional voyages to one-of-a-kind destinations. Join Azamara in 2011-2012 as our two ships voyage to northern and western Europe, the Mediterranean, Asia, the West Indies, and South America. Nearly half of all port visits on Azamara Club Cruises feature overnight or late-night stays, giving you ample opportunity to explore local culture on your own or with our superb onshore Land Discoveries®. Wherever your dream leads, we have an Extended Voyage to make it come true.

Itineraries begin on page 12.

A grand adventure, or a relaxing vacation? You can have both on an Extended Voyage with Azamara Club Cruises®. There's no better way to experience multiple countries and destinations while enjoying consistently fine cuisine, accommodations and service. You'll be amazed by how much you've seen by the time you arrive home rested and refreshed, with memories to last a lifetime.

A Voyage That's Ideal for Dreamers and Explorers with a Practical Nature.

A more efficient way to travel. Many Azamara Club Cruises® guests return home with one lament: They wish they'd seen more of a region while they were there. This is one regret you'll never experience when you combine multiple shorter voyages into one amazing Extended Voyage. And it's so efficient! You'll plan, pack, and pay for round-trip airfare just once. An Extended Voyage is like several vacations with a fraction of the work.

A better way to relax. An Extended Voyage with Azamara Club Cruises gives you more time to unwind, revitalize, and reconnect with loved ones in a uniquely serene environment. Unlike land-based touring where you're constantly shuttling between hotels, airports and cabs, on Azamara you'll spend days between destinations at the pool or pampering yourself in our soothing spa. And throughout your Extended Voyage, you can stay connected with the world back home through our onboard wireless internet services.

Exceptional savings. At Azamara we love to reward our loyal guests, particularly those who travel with us on longer or more frequent voyages. Book two consecutive voyages of eight nights or less, and we'll reduce your fare by \$600 (\$300 per voyage/per stateroom). For two consecutive voyages of nine nights or longer, the savings grow to \$800 (\$400 per voyage/per stateroom). Savings continue to grow with each voyage you add.

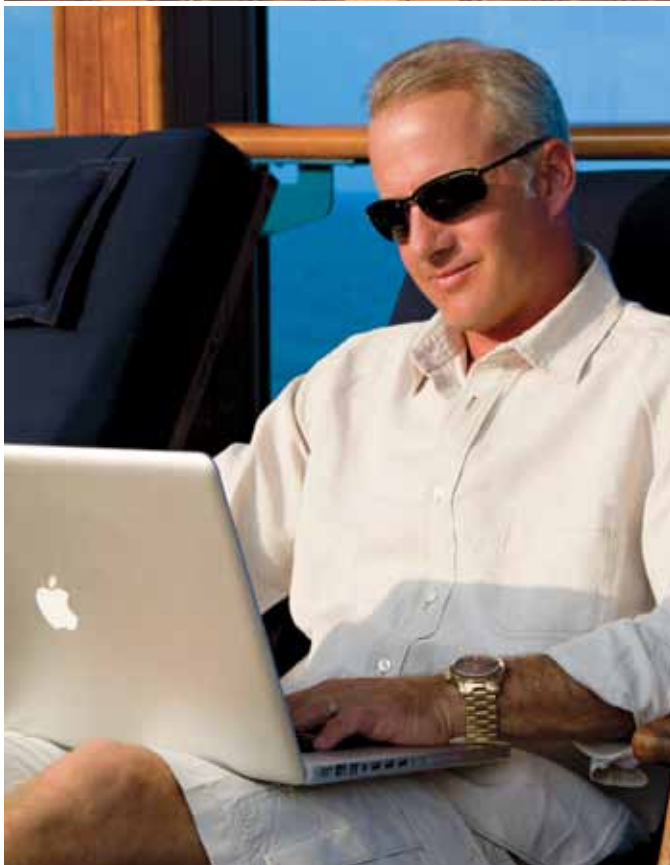

Azamara means value.

Every fare includes generous extras that really add up on longer voyages:

- + Gratuities for housekeeping, dining and bar staff.
- + Bottled water, soft drinks, specialty coffees and teas.
- + Boutique red and white wines at lunch and dinner.
- + English butler service for suite guests.
- + Shuttle service to and from ports, where available.

The Longer Your Voyage, the More You'll Appreciate the Differences That Define Azamara Club Cruises.®

Destination expertise is our forte. Our reputation is built on delivering what worldly travelers want most: a sophisticated experience by sea paired with eye-opening explorations on land. And you'll see so much more when you travel with Azamara Club Cruises®! Nearly half our port stops are overnight stays or late-night departures, giving you time to see the sights by day and experience your destination in a completely different way by night.

Fresh and elegant accommodations. Sailing with Azamara Club Cruises is like staying in a fine boutique hotel, with modern furnishings, plush bedding, gracious service, and a choice of excellent restaurants paired with an exceptional wine cellar. Evening entertainment can be convivial or serene: enjoy live music and dancing, playing in the casino, or sipping a cognac under a blanket of stars. Sophisticated but never stuffy, our ships are lovely places to call home for Extended Voyages.

To your health! A longer voyage gives you time to shed stress and focus on healthy relaxation. Work out in Azamara's well-equipped fitness facilities, followed by an afternoon massage in the spa. If you like to walk or jog, the view doesn't get any better than from our track overlooking the open sea. You'll also enjoy outdoor fitness at every destination, from historical walking tours to bike rides through beautiful towns and countryside.

Superior value. Many cruise lines charge for dozens of extras that add considerably to your costs by the end of a voyage. On Azamara Club Cruises, that's never the case. Every fare includes gratuities for housekeeping, dining and bar staff. And throughout your voyage you'll enjoy complimentary bottled water, soft drinks, specialty coffees and teas, boutique winery selections with lunch and dinner, self-service laundry, and English butler service for suite guests. We also offer free shuttle service to and from ports, where available.

Extended Voyages mean more time to enjoy Azamara's comfortable staterooms with all the amenities of a fine boutique hotel. For those who love to entertain, our spacious World Club Owner's Suite (top) with separate living room is the ideal choice. Or choose a Club Veranda stateroom (above), where you can open the door to ocean breezes and enjoy morning coffee as you plan your day.

Enjoy the boutique hotel ambiance of the Mosaic Café, a friendly gathering place and hub of lively conversation. Have a cappuccino or tea with cookies while you share stories of the day's adventures.

While in Bordeaux, you'll want to visit Saint Emilion in the Gironde Valley, shown here, home to some of the world's most famous chateaux. Or join a tour to the equally famous chateaux of Sauternes or Margaux. An overnight stay leaves time for an evening of dining and entertainment in stately Bordeaux.

How to Embark on the Voyage of Your Dreams.

Great cities take on a different personality as day settles into night. That's why Azamara gives you more late-night departures, overnight stays, and opportunities for night touring. With a late stay on Mykonos, you can enjoy a late-afternoon glass of wine on the Little Venice waterfront. As the sun goes down and the nightlife heats up, you'll be glad there's no need to hurry.

The toughest question: How to choose among all the places you'd love to see? The easy answer: Start with Azamara's Extended Voyage itineraries. We recommend browsing them all to understand your great variety of choices. You're sure to find Azamara Club Cruises® just about anywhere you want to sail!

Extended Voyage itineraries for June 2011 through December 2012 start on page 12. Using the itinerary below as an example, here are some simple search tips:

- + **To search by month:** Simply locate the month(s) you'd like to travel in the "Date" column. Be sure to consider options on both ships.
- + **To search by destination:** For major destinations at a glance, take a look at the bold-faced voyage names next to the circled number of nights. The individual voyages that follow offer a quick view of all port stops.
- + **To search by voyage length:** The circled number of nights represents the longest Extended Voyage, but you have flexibility to arrange shorter trips. For instance, a 64-day voyage from Shanghai to Piraeus (Athens) on the Azamara Quest,® below, could be turned into a 35-day voyage from Singapore to Piraeus (Athens).

Unforgettable overland excursions.

There are places that capture your imagination, and an Azamara Cruisetour is the perfect way to explore them in depth before or after your voyage. Warnemunde (Berlin), Germany

From the seaside resort town of Warnemunde, take a Land Discovery excursion through the bucolic countryside to historic Berlin. See the Brandenburg Gate and historic **Reichstag** building with its domed glass ceiling, and enjoy the bustling cafes, restaurants and galleries at the city center. Treat yourself to a traditional German meal, then enjoy tours of museums, WWII monuments, and the site of the former Berlin Wall.

Stockholm, Sweden

Lovely Stockholm sports modern architecture and fairy-tale palaces. One-third of its area is devoted to green space, and another third to waterways, providing room to breathe and relax. Meander along narrow paths in old **Gamla Stan**. For the contemporary set, there's Södermalm—the site of Stieg Larsson's novels—with lively restaurants, bars and boutiques. Take a Royal Canal tour of the waterways, or visit the Royal Palace or Vasa Museum.

Tallinn, Estonia

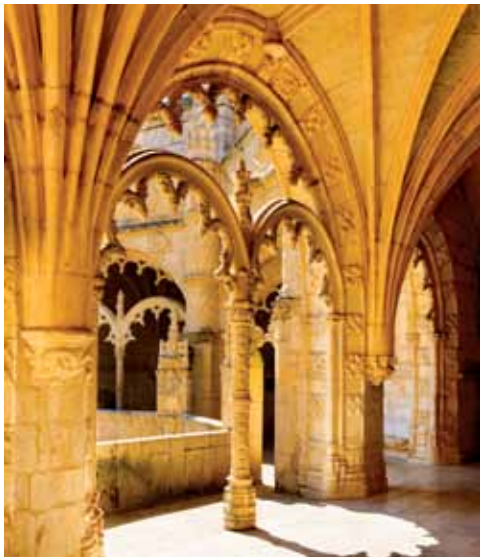

In 1988 this city united in a famous "Singing Revolution" against Soviet rule, which put Estonia on the path to independence. Visit St. Olav's Church or relax in a café in the charming **town square**, the heart of the city for 800 years. Take a walking tour of Gothic architecture and explore St. Catherine's Passage, a quaint lane bustling with crafts workshops. Learn about Tallinn's secret 17th Century tunnel system, and don't miss a taste of famous Estonian marzipan!

Dublin, Ireland

Dublin is a city of storied castles, monuments, lush parks and world-famous pubs. Visit historic **Malahide Castle** and St. Patrick's Cathedral, and pay homage to Dublin's writers and playwrights—Joyce, Yeats, Shaw, Wilde and Beckett, to name a few. The pub scene is deeply integrated into local life, and you'll want to do your own exploring. Stop in at The Brazen Head, where you can sip a Guinness and ponder the beauty of a local pub that has served patrons for 800 years.

Lisbon, Portugal

Lisbon's magnificent harbor was an ancient trading port, and then a point of departure for 15th century voyagers such as Vasco de Gama. Today the city has made a new name for itself as a center for art, film and design. Stroll the monument-studded grand boulevards and central Rossio Square, and don't miss the gothic **Jeronimos Monastery** erected in 1502. With an overnight stay you can visit Sintra, one of the most beautiful places in Portugal.

Reykjavik, Iceland

Shaped by fire and ice, Iceland's volcanic landscape is a collage of lava fields, craters, waterfalls, and mountains. Take advantage of your overnight stay to explore this remarkable island-nation, perhaps visiting **Glymsgil Canyon** or Iceland's mineral-rich Blue Lagoon before soaking in a geothermally heated pool. You'll also be inspired by Iceland's modern museums, fine restaurants and vibrant nightlife.

Bordeaux, France

As the **gateway to one of the world's premier wine-growing regions**, Bordeaux's fortunes have long been aligned with fine vintages. This beautifully restored city boasts monumental buildings, exquisite mansions, and fine cuisine and nightlife. The nearby countryside is dotted with wine chateaux sporting impressive appellations such as Pauillac, Sauternes, Margaux, and Saint-Emilion. Take a Land Discovery excursion and sample wines while learning about the terroir of this world-famous region.

Seville, Spain

Azamara brings you closer to the center of Seville, a 2,000-year-old city. You'll want to explore **Seville's impressive Cathedral**—one of the largest in the world—along with Reales Alcazares, a palace decorated in lavish Moorish style. Explore the Santa Cruz Quarter, the old Jewish area of the city packed with artisan's shops and cafes. Save your appetite. Seville is credited as the birthplace of tapas, and you will want to graze from bar to bar.

Barcelona, Spain

Visit Gaudi's world-famous Church of La Sagrada Família and see his other fantastical works, such as the towers on the rooftop of **Casa Mila** shown above. With an overnight stay, you'll have time to view the great art of El Greco, Dali and Picasso, stroll the bustling tapas bars of Las Ramblas, and take in a flamenco performance in this city that awakens after dark. You might also visit the beautiful monastery atop Monserrat and catch a performance by one of the oldest boys choirs in Europe.

Capri, Italy

Just off the coast of Naples, the **Isle of Capri** has a lovely coastline marked by secluded beaches and hidden caves, including the famous Blue Grotto with its intense azure waters. Anacapri's old town makes for fascinating walks along secret pathways, with the popular gathering place La Piazzetta at its center. Take the chairlift to the top of Mt. Solaro, the highest peak on the island, for panoramic views.

St. Peter's Basilica in Vatican City features some of the world's most beautiful Renaissance art, sculpture and decoration. You'll be awed by the masterpieces of Michelangelo, Bernini and others in this magnificent complex of chapels, tombs and stately grounds.

Monte Carlo, Monaco

The tiny principality of Monaco, a sovereign state of just under one square mile, boasts **a beautiful harbor** and some of the planet's most expensive real estate. Pay respects to Grace Kelly, Princess of Monaco, at the Romanesque Cathedral, and meander through the Old Quarter of the city. Drive along a strip of the Grand Prix Motor circuit with an Azamara Land Discovery, and cap off your evening with a trip to the Grand Casino.

Manaus, Brazil

On the banks of the Rio Negro, sprawling skyscrapers and ornate colonial buildings are a stark contrast to the world's largest rainforest. Dreams of a great European city can be seen in the Customs House, the Teatro Amazonas, and the lavishly adorned Church of St. Sebastian. But the real draw of this port is its proximity to the magnificent **rainforests of the Amazon**, which you'll have an opportunity to explore as part of an Azamara Land Discovery excursion.

Gustavia, St. Barts

The quaint capital of Gustavia on **St. Barts Harbor** welcomes you to a world of relaxation, luxury shopping and fine cuisine. Vestiges of Swedish architecture add to this city's charm, and you'll enjoy the people-watching as you stroll the waterfront. London, England

See the panorama from the London Eye, then sail the River Thames past the Houses of Parliament, Big Ben, the Tower of London, and other monumental sights. With an overnight stay, you'll have time to explore London's pubs, great parks and gardens, and the world-famous British Museum. Enjoy evening theater in the West End, then join a countryside tour of Royal Windsor or **Leeds Castle** and Canterbury the next day.

St. Jean de Luz, France

This prosperous coastal town is notable for its architecture, sandy bay, and **exceptional Basque cuisine**. Marvel at the baroque altar in the magnificent Church of St. John the Baptist, where Louis XIV married Marie-Therese of Spain in 1660. Around the town's main square you'll find fabulous seafood restaurants—among the best in the Cote Basque—along with bars and terraces where you can relax and listen to music in the evening.

Bilbao, Spain

Bilbao wasn't a household name until Frank Gehry's must-see **Guggenheim Museum** was opened in 1997. Located in the heart of Basque Country on a lovely estuary, Bilbao draws visitors from all over the world with its fine museums, restaurants, and nightlife that continues into the wee hours of the morning. In addition to the Guggenheim, visit the Fine Arts Museum and Teatro Arriaga, Bilbao's opera house.

Rotterdam, The Netherlands

This dynamic metropolis has been called "Manhattan on the Maas." Azamara brings you here in July, peak season for the city's eclectic music festivals. With an overnight stay, you'll have time to visit museums, shopping districts and attend the renowned North Sea Jazz Festival. See a 360-degree view of the city from the Euromast Observation Tower, and don't miss the **modern cube houses, designed by Piet Blom**, tilted at 45 degrees.

Rouen (Paris), France

The museum town of Rouen is a treasure trove of churches, mansions, and restored half-timber houses dating back to the Middle Ages. It is also home to the Rouen Cathedral of Notre Dame, which took four centuries to construct. Just two hours away is Paris, a city that deserves multiple trips. Whether you love The Right Bank, The Left Bank, or strolling the Champs-Élysées with its famous view of the **Arc de Triomphe**, there is no wrong way to see the City of Light.

St. Tropez, France

St. Tropez on **the French Riviera** has long been known for the fabulously wealthy jet-setters who idle away their time here on sun-drenched beaches. Spend an afternoon strolling the old town, overflowing with restaurants, trendy boutiques, and galleries. Learn to play the classic Southern French game of Pétanque at the Place des Lices and follow your lesson with an aperitif. For mesmerizing views, head up to the 16th century Citadel. The clear light of the South of France inspired the birth of modern painting, and you'll understand why Matisse and David Hockney are among the world-famous artists who lived and worked here.

Santorini, Greece

Santorini is a vision of paradise: whitewashed villages cling to cliff sides, bright blue roofs reflect the sea and sky, and the famous black-sand Perivolos Beach is within close range of the port. As you sip wine and taste local mezes (Greek snacks), or journey to the pedestrian-only capital of Fira to wander its narrow cobblestone alleyways, you may believe the myth that this volcanic Greek isle is the birthplace of gods. **Don't miss Oia, a gorgeous village that offers panoramic views from atop its cliffs.**

Rhodes, Greece

The Colossus of Rhodes, one of the "Seven Wonders of the Ancient World," is the star attraction of **this remarkable island notable for its ancient architecture.** You'll marvel at the fortified palace complete with a moat and drawbridges erected by the Knights of St. John in medieval times. Other sites include the Acropolis of Rhodes, the famous Rhodes Windmills, and the rebuilt 15th Century Palace of the Grand Master.

Kos, Greece

Kos reflects the rich history of classical Greece and the Knights of St. John, who held the island for two centuries in the late Middle Ages. Tour the remains of the Knights' impressive fortress and the many Grecian ruins on the island. Then **walk the palm-lined paths of the colorful and charming town** below, where homes with white colonnades are accented by gardens of bright hibiscus. Kos was also the home of Hippocrates, the father of medicine, who was born here about 460 BC.

Kotor, Montenegro

On Azamara's smaller ships, you'll reach Kotor after a breathtaking 75-minute cruise through the **Bay of Kotor**, southern Europe's deepest and arguably most beautiful fjord. Once part of the Roman Empire, Kotor is one of Europe's best-preserved cities of medieval and Renaissance vintage, distinguished by its cobble-stoned streets, red-tiled roofs, and thousand-year-old churches. Explore the ancient Venetian ramparts that wrap around the city on foot or as part of a biking tour.

Sorrento, Italy

Sorrento has been a playground for the rich and famous for centuries, and more recently a haven for artists, writers, politicians, philosophers and aristocrats. Today lavish villas and palaces dot the landscape and only add to the beauty of this magical place. Join an Azamara Land Discovery to visit the famous island of Capri and the ruins of Pompeii, the ancient city destroyed by Vesuvius in 79 AD. **Tour the stunning Amalfi Coast** before picnicking at a local farm, feasting on fresh local delicacies while resting in groves of lemons and olives.

Antalya, Turkey

Antalya's many archeological treasures include Hadrian's Gate, the triple-arched portal to the city built in 130 AD. The city's historic town center is defined by a maze of narrow streets and wooden homes from bygone empires, now restored as private residences, boutique hotels and restaurants that bring new life to this **old quarter waterfront**. Join a Land Discovery tour of the Greco-Roman Amphitheater, the Archeological museum, and Termessos, the only ancient city to survive the attacks of Alexander the Great.

Goa, India

Known for its white sand beaches, World Heritage architecture, richly decorated churches, and biodiversity, Goa is India with the flavor of Portugal. The Portuguese arrived in the 16th century, made a fortune in the spice trade, and didn't leave until 450 years later. They left behind a rich architectural heritage in Old Goa, along with the custom of siesta embraced by the local population. While here, enjoy a day excursion to the surrounding countryside's **village markets**, spice plantations, or to a wetland sanctuary for exquisite bird-watching.

Bangkok, Thailand

On Azamara's smaller ships you'll see a panorama of life as you sail up the bustling Chao Phraya River before docking within close proximity of Bangkok. With up to two days in port, you'll have time to explore **Bangkok's Buddhist temples** and storied palaces, shop for brilliantly colored Thai silks, and enjoy the city's tantalizing cuisine and legendary nightlife. Extend your experience with an overnight visit to legendary Angkor Wat.

Danang (Hue), Vietnam

Take a Land Discovery excursion to Hue, the seat of power of the Nguyen dynasty. Explore the forbidden city, similar to the one in Beijing, with a fortified citadel and monumental entry gates. You'll also want to explore **Hoi An's old quarter** of two-story shop houses with elaborate wooden facades and tile roofs. Don't miss a bike tour through countryside villages and brilliant green rice fields—truly a highlight of your time in Vietnam.

Take a sampan tour of Hong Kong's Aberdeen Harbor, famous for its floating village and huge seafood restaurants.

Borobudur, Indonesia

The Borobudur Temple Compound is one of the world's greatest Buddhist monuments. Built roughly 300 years before Angkor Wat, the gigantic structure rises from a hill in three layers, ascending to the breathtaking main stupa. As you approach the top, reliefs sculpted in stone tell the story of Buddha and the path to redemption.

Shanghai, China

Ancient art and dynamic modernism exist side by side here. Walk the historic Bund with its early 20th century buildings and wharves, and visit classically designed Yuyuan Garden, a maze of pavilions, ponds and bridges built in 1559. Riches await you at the Shanghai Museum, including a bronze collection considered the world's best. Modern China flexes its muscles in Jinmao Tower, the high-speed Maglev train, and the premier shopping and neon lights of Nanjing Road.

Busan, South Korea

This bustling coastal port is famous for Yonggungsa Park, beaches and hot springs, and beautiful temples. You won't want to miss the huge **Jagalchi Fish Market**, the largest in Korea, with displays of fresh, dried and steaming seafood that seem to go on for miles. To view more than 1,500 years of Korean history, visit Gyeongju, an outdoor museum of historic buildings, temples and artifacts.

Benoa, Bali, Indonesia

Bali's unique Hindu-infused spiritual culture lives in natural harmony with this island's breathtaking landscapes. Neon green **rice terraces**, sandy beaches, steep mountains and jagged coastlines compete with the beauty of Bali's man-made temples—you won't believe Tanah Lot and Pura Batu Balong. Take in a gamelan performance, watch a monkey dance, go bird-watching, and explore Balinese sculpture, painting, leather and metalworking.

Manila, Philippines

An Asian capital with a Spanish influence, Manila is a cosmopolitan city with a great architectural heritage despite World War II destruction. See Malacanang Palace, the historic Manila Hotel, and Intramuros, the Spanish walled settlement of museums, ruins and the magnificent Manila Cathedral. Catch one of Manila's dramatic sunsets along the Baywalk, and if you're feeling brave, take a ride in a **Jeepny**, a popular form of transportation.

Mumbai, India

This is the India of entrepreneurs, a **vibrant cosmopolitan hub of culture** and cuisine. Take in the grandeur of Victoria Terminus, which serves half a million commuters daily, and the Gateway of India, Mumbai's greatest landmark. Walk the beachside promenade of Marine Drive, explore the city's abundant temples, or shop at the mind-boggling Thieves Market, named after Ali Baba. At night, be sure to visit the Taj Mahal Palace hotel and restaurant and sample the lively bar and pub scene.

Corfu, Greece

Nature and history entwine on this lovely island of castles and ancient ruins, panoramic views, beautiful beaches, and picturesque villages. Corfu is lush and green, with a temperate climate that supports a bounty of figs, grapes and olives, and a breeze that carries the scent of orange and lemon blossoms.

Visit the old town that reflects 400 years of Venetian rule, the Achillion Palace high in the village of Castouri, or beautiful Paleokastritsa Bay. Spend a long evening at a taverna, sampling local fragrant meat stews, shellfish and lamb.

Constanta, Romania

Romantic Transylvania, made famous by Bram Stoker's Dracula in 1897, is home to hundreds of castles, fortresses and fortified churches surrounded by the forests of the Carpathian mountains. An inland trip from the port at Constanta, Transylvania will delight history buffs and outdoor enthusiasts who will love the lush native flora and old-growth forests. Visit **Dracula's Bran Castle**, try the local specialties of Bulz, Sarmale, Gulash, and of course, Ursus black beer, one of the world's great dark lagers.

Istanbul, Turkey

Istanbul marries East and West in its history, modern-day cuisine and nightlife. View a wealth of ancient monuments, including the **Hagia Sophia**, Blue Mosque, and Topkapi Palace, or the beautiful Beylerbeyi Palace and Maiden's Tower on the Asian side of the Bosphorus. Wind your way through the maze of the Grand Bazaar for an experience you'll never forget. You'll be delighted to have an overnight stay to enjoy Istanbul's legendary cuisine, performances and nightlife at venues including Ciragan Palace.

Odessa, Ukraine

Rising from a steppe above the Black Sea, this Southern Ukraine city is a blend of Russian and Mediterranean influences. Walk the grand Potemkin Stairs, the formal entrance to the city leading to Pushkin Statue and Odessa City Hall. Visit the Fine Arts Museum—a former palace that is a work of art itself—for masterpieces of Russian, Ukrainian and Soviet art. Stroll Deribasovskaya Street for **Ukrainian handicrafts**, and enjoy a traditional meal of potato dumplings, borscht, stuffed cabbage and Chicken Kiev.
