Air/Sea Program

When you participate in Crystal Cruises' air program, we not only provide you with free air or the lowest Air/Sea fares available, but also include transfers between the airport and the ship. On page 42 is a list of Air Gateway Cities in the U.S. and Canada, and Economy round-trip airfare add-ons for each cruise when applicable. Business and First Class air add-ons are also available. See crystalcruises.com for details.

Air/Sea Program

All full-fare, full-cruise guests are eligible for Crystal Cruises' Air/Sea Program. The Air/Sea Program includes round-trip air transportation between the published Gateway City and the port of embarkation/disembarkation. Within 75 days of departure, the Air/Sea Program is on a request basis, subject to flight availability. Additional airfares are per adult in U.S. dollars.

Air Transportation

Crystal Cruises reserves the right to choose the air carrier, routing and city airport from each Gateway City, as well as the right to substitute charter flights for scheduled service and vice versa. If, due to scheduling conflicts at the time of booking, it becomes necessary to overnight guests en route to or from their cruise on the day of embarkation/disembarkation, Crystal Cruises provides hotel accommodations, baggage handling and transfers on a complimentary basis. You are responsible for all meals and other items of a

personal nature. The overnight provision applies only to travel on the dates of embarkation/disembarkation. If a date deviation is requested, the guest is responsible for all related arrangements and expenses incurred should an overnight be necessary. In the event adequate air service is unavailable from any of the listed Air/Sea Gateway Cities, you have the option of paying an additional fare for an alternate routing or air carrier or of choosing another Air/Sea Gateway City. Airfares are based on capacity-controlled contract, promotional or group fares. Business and Premium Economy Class air upgrades are capacity-controlled, apply to international flights and may not apply to U.S. domestic or intra-continental flights within North America, Europe, South America, Asia or Africa. Airline tickets issued by Crystal Cruises may be highly restrictive. Because of this, guests may find that air tickets cannot be reissued/revalidated, exchanged for another carrier or routing, or upgraded with frequent flyer mileage credit. If, due to extenuating circumstances, Crystal Cruises agrees to reissue the ticket, a \$100 per person service fee applies plus any change fees or fare increases charged by the air carrier. If you cancel your Air/Sea Program after tickets have been issued, a cancellation penalty of \$300-\$800 per person (depending on itinerary) is deducted from your refund. All airline tickets issued by Crystal Cruises are refundable only to Crystal Cruises. In the case of loss of the airline ticket, the replacement is the responsibility of the guest. If you cancel your cruise, and consequently your air arrangements, the standard Cruise Cancellation Policy also applies to your airfare. See crystalcruises.com for details.

Transfers

Transfers between the airport and ship are available in ports on days of embarkation and disembarkation only at the beginning and end of each published itinerary. Guests participating in a Crystal Pre- or Post-Cruise Hotel or Extended Land Program are entitled to transfers between airport, hotel and ship, or vice versa, according to itinerary. Transfers between airport or hotel and ship do not apply for guests making their own air and land arrangements. However, Crystal Cruises is pleased to extend the opportunity for cruise-only guests to purchase certain transfers for a nominal fee, available upon booking the cruise. Airport-to-ship or ship-to-airport transfers only operate between certain hours.

Crystal Penthouse (CP) guests are entitled to a total of two private car/minivan transfers per voyage. Transfers operate from/to the designated airport in the port city for embarkation and disembarkation. Transfers from/to other locations within 100 miles of the port city for embarkation and disembarkation may be substituted. Restrictions apply. Services are non-transferable. There are no credits given for forfeited services. Note: car/minivan will be arranged according to the number of pieces of luggage.
