How to plan your cruise in 10 easy steps

There's a lot to consider when planning a cruise with Princess. But with this simple planning guide, you'll be on your way in no time! And should you have more specific questions, feel free to contact your travel agent or visit princess.com.

1 What kind of cruise vacation are you seeking?

Princess has options to match every individual taste and style. Are you a person who enjoys the thrill of visiting many ports and a variety of sights? Or do you prefer voyages with more time out at sea to relax and unwind?

2 Where and when do you want to go?

Princess sails all around the world, 12 months a year. Use the chart below to help you plan where and when you want to cruise with Princess.

2013 Princess Destinations

Destinations	Travel Months
Alaska	May to Sep
Asia & Africa	Apr to Mar
Australia, New Zealand	Oct to May
Canada & New England	Sep to Oct
Caribbean	Oct to Apr
Europe	Apr to Dec
Mexico, Hawaii & California Coastals	Sep to May
Panama Canal	Sep to May
South America	Dec to Mar
Tahiti & South Pacific	Sep to Apr

3 How do you choose the itinerary that's best for you?

First, how much time do you have and how long would you like your vacation to be? Princess has options from a week to over a month. What places and experiences are on your travel bucket list? Imagine how and where you want to escape completely. Then find an itinerary to match.

4 What's your budget?

Your cruise fare is determined by several factors — destination and length, time of year, stateroom choice, and availability. Stateroom fares are quoted per person and based on double occupancy — with elegant and casual dining options,

onboard entertainment like production shows, musicians and comedians, a Las Vegas-style casino, and much more included with your fare.

5 Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 passengers to smaller, more intimate vessels accommodating just 680. Ask your travel agent for more details, or visit princess.com/ships to learn more about each of our ships, or to take a virtual tour of their public areas.

6 What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathrooms. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities including luxury mattress and pillows. An oceanview double includes a large picture window providing added ambience and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit princess.com/staterooms.

7 Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to escape completely. Be sure to book early for the best selection of staterooms. Be sure to inquire to have your group's staterooms close to one another. For those sailing with kids, our free onboard youth and teen programs are excellent, and family-friendly shore excursions are available.

8 Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from

your ship to your airport or hotel.

Princess eZAIR® is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you on board at the next available port in the event you miss your embarkation. And our Cruise Plus® Hotel program offers peace of mind and convenience, with excellent centrally located hotels before or after your voyage. To learn more about Princess eZAIR, our Cruise Plus Hotel program and transfer options available, visit princess.com or contact your travel agent.

9 What kinds of shore excursions most interest you?

From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination with a shore excursion. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or visit princess.com/excursions to learn more.

10 What if you need to cancel?

It is important to note there are restrictions regarding fare refunds and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date Princess Cruises is notified of your cancellation. See the Cancellation Fees and Refunds chart on princess.com for specific details. For a great option for protecting your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel agent for more details.

A preview of your stateroom options on board

For every preference and budget, there is a stateroom to match on each Princess® ship. Ranging from spacious suites to comfortable interiors, here's an overview of the stateroom options available.

Princess pioneered the affordable balcony stateroom, and still offers one of the largest percentages of such accommodations in the industry. You'll find an ample selection of balcony staterooms on each of our ships.

Your stateroom is your home away from home, filled with comforts.

Suite with balcony

A spacious suite with balcony includes all the amenities of a mini-suite, plus incredible premiums. These include luxury balcony furniture, deluxe

canapés, fresh flowers, DVD/CD player, free access to a DVD library, two flat-panel TVs, one complimentary mini-bar setup, upgraded bathroom amenities, laundry and professional cleaning services. Plus, suite passengers can enjoy a complimentary dinner in one of our specialty restaurants on embarkation day. Approximately 460 to 932 square feet, including balcony. Window suites are also available as a more affordable option.

Mini-suite with balcony

A mini-suite with balcony is substantially larger

than a balcony stateroom. It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 323 square feet, including balcony.

Family suite

Each suite is actually two self-contained staterooms interconnecting through a large living room which leads to an oversized

private balcony. Each suite sleeps up to eight people. Approximately 595 to 606 square feet.

NEW Deluxe balcony

A Royal Princess® exclusive, this is an enhanced version of a balcony stateroom

and includes a comfortable sofa bed. This stateroom also offers some of the same amenities found in a mini-suite stateroom, including upgraded bathroom amenities, waffle bathrobe, terry cloth towels, plus all the amenities of a balcony stateroom. Approximately 214 to 279 square feet including balcony.

Note: On Royal Princess, a Deluxe Oceanview stateroom is available that includes a sofa bed and other amenity upgrades.

Balcony

This impressive stateroom offers the elegance of a balcony with fine patio furniture.

Other amenities include a spacious closet, desk and a bathroom with shower. Approximately 214 to 279 square feet, including balcony.

Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing added ambience and memorable views. Approximately 146 to 206 square feet. Deluxe Oceanview, a larger version of the Oceanview double is also available on select ships.

Note: Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans.

Interior double

Our interior stateroom is a great value. It features two twin beds that make up into a queen-size bed. Other amenities include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 158 to 162 square feet.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. For staterooms that can accommodate rollaways, stateroom has two lower berths, one upper berth and can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1-800-PRINCESS for more information.

Unlike other major air booking websites, Princess eZAirSM also protects you in the event of an airline delay with *Next Port Protection* — if you miss your cruise embarkation due to an airline delay or service disruption, Princess works with the airline to provide flights to the next appropriate port at no additional air cost to you. It's part of our continuing commitment to make your vacation as carefree as possible.

Here are some of the advantages of Princess eZAirSM.

Next Port Protection

Competitive rates

And, you can compare both pricing options side-by-side to determine what option best matches your travel needs.

No customization fee

You can choose your desired airline, flight, cabin level, seating arrangements and requested ancillary services with no extra customization fee.
