3 How do you choose the itinerary that's best for you?

First, how much time do you have and how long would you like your vacation to be? Princess has options from a week to over a month. What places and experiences are on your travel bucket list? Imagine how and where you want to escape completely. Then find an itinerary to match.

4 What's your budget?

Your cruise fare is determined by several factors — destination and length, time of year, stateroom choice, and availability. Stateroom fares are quoted per person and based on double occupancy — with elegant and casual dining options,

onboard entertainment like production shows, musicians and comedians, a Las Vegas-style casino, and much more included with your fare.

5 Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 passengers to smaller, more intimate vessels accommodating just 680. Ask your travel agent for more details, or visit princess.com/ships to learn more about each of our ships, or take a virtual tour of their public areas.

6 What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathrooms. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities including luxury mattress and pillows. An oceanview double includes a large picture window providing added ambience and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit princess.com/staterooms.

7 Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to escape completely. Be sure to book early for the best selection of staterooms. Be sure to inquire to have your group's staterooms close to one another. For those sailing with kids, our free onboard youth and teen programs are excellent, and family-friendly shore excursions are available.

8 Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from

your ship to your airport or hotel.

Princess eZAir® is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you on board at the next available port in the event you miss your embarkation. And our Cruise Plus® Hotel program offers peace of mind and convenience, with excellent centrally located hotels before or after your voyage. To learn more about Princess eZAir, our Cruise Plus Hotel program and transfer options available, visit princess.com or contact your travel agent.

9 What kinds of shore excursions most interest you?

From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination with a shore excursion. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or visit princess.com/excursions to learn more.

10 What if you need to cancel?

It is important to note there are restrictions regarding fare refunds and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date Princess Cruises is notified of your cancellation. See the Cancellation Fees and Refunds chart on page 92 for specific details. For a great option for protecting your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel agent for more details.

Protect Your Vacation Investment

Princess® Vacation Protection

More than two-thirds of our passengers choose to protect their vacation investment with Princess Vacation Protection. You never know when something unexpected may cause you to have to postpone your plans. Fortunately, Princess can reimburse you for unforeseeable losses stemming from an array of circumstances, and even allows you to cancel your vacation for any reason at all.

Princess Vacation Protection is a package of benefits composed of the following: the Princess Cancellation Fee Waiver, the Princess Travel Insurance and the Princess Worldwide Emergency Assistance Programs.

Frequently Asked Questions

Q: Am I protected by Princess Vacation Protection if my mother, who is not traveling with me, develops pneumonia and I have to cancel my trip to care for her?

A: Yes, Princess will refund the cancellation fees (up to the full value of the cruise vacation) if you have to cancel your trip because of a specified reason such as illness, injury or death of yourself, a traveling companion or any of your immediate family members.

Q: If I have a heart condition and am on continuing medication, am I protected if my condition flares up during my vacation?

A: Yes. Princess Vacation Protection provides reimbursement for conditions that are stable during the 60 days prior to purchase, so if you have had no changes in your health (even if you are taking continuous unchanged medication), you would be protected.

Q: What if my condition did change prior to purchasing Princess Vacation Protection?

A: Rest assured, emergency evacuation benefits are still provided in the event of a medical emergency. Also, if you cancel your cruise vacation and do not qualify for cash reimbursement due to an unstable medical condition prior to purchase, you would have the benefit of cancel-for-any-reason protection from Princess.

Q: If my pet becomes ill and I have to cancel my trip as a result, will Princess Vacation Protection reimburse me?

A: Although you would not qualify for cash reimbursement, as an added feature for purchasing Princess Vacation Protection, Princess will provide a credit toward a future cruise equal to 75% of the cancellation fees imposed (100% if Platinum Vacation Protection is purchased) if you choose to cancel for an ineligible reason.

Tips for your trip

Whether this is your first or fourteenth trip with Princess, you probably have several questions about the adventures awaiting you in port and on board ship. So we've compiled a few of the most common travel questions you might have, to help you prepare for your trip.

Cool, temperate, hot...?

What type of weather conditions can I expect during my getaway with Princess? Check the handy guide at princess.com. Click the link to "Prepare for Your Cruise," and scroll down to "Cruise Answer Place — What to Bring?" A convenient chart of "high-low temperatures" by destination will help you figure out just the right items to pack. Of course, it's always a good idea to bring layers of clothing — perfect for any unexpected change in temperature. It's usually helpful to take along sunglasses and sunscreen, as well as a swimsuit for dipping into our onboard pools — no matter whether you're going to a warm or cool climate. For destinations noted for their precipitation, it's important to include an umbrella or extra windbreaker.

Boutiques on board

Treasures await your browsing eye in our Boutiques on board. So be sure to leave plenty of room in your luggage for purchases with tax/duty-free savings up to 60% off U.S. suggested retail. Princess offers a 5-year guarantee on all fine jewelry purchases and a price match guarantee for all comparable brands ashore. See our Boutiques on board staff for more details.

Shopping ashore

If you want to shop on shore, check the port shopping maps for a list of suggested stores. Any bargainer worth his or her salt will love this onshore luxury. There's a shopper's guarantee for registered purchases at participating stores.

How do I reserve tours?

You'll enjoy a choice of guided tours in every port of call, each highlighting great places to sightsee, shop and experience local culture. For your convenience, tours may be reserved 120 days in advance of your cruise on a first-come, first-served basis, or they can be purchased on board based on availability. You can view tour descriptions and reserve your tours online by going to princess.com and selecting the Cruise Personalizer®. Please note that space is limited on some tours. On board, the ship's shore excursion staff can also answer any other questions you may have and help you with additional arrangements. Shore Excursions are operated by local, independent companies, not by Princess, and Princess gets a commission on all tours sold.

What to bring

What should I wear on the ship?

You should dress for cruising the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants, and jogging suits are the order of the day both at sea and on shore in hotter climates. Just remember to bring a sweater or jacket for cool evenings.

For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, passengers dress as they would for a fine restaurant at home. Appropriate attire includes skirts/dresses, slacks, and sweaters or blouses for ladies and pants and open-neck shirts for men. Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn at all times. On formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and this can be arranged prior to your cruise.

For shore excursions, you'll want to bring a sweater, a light jacket, or an all-weather coat, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to wear proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear while exploring ashore.

LENGTH OF CRUISE	# OF FORMAL EVENINGS	# OF SMART CASUAL EVENINGS
2-6 Days	1	1-5
7-13 Days	2	5-11
14-20 Days	3	11-17
21-28 Days	4	17-24
29 Upwards	5 minimum	24+

Note: Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in the *Princess Patter* may vary from time to time.

What documents do I bring?

You'll need your cruise Boarding Pass and Travel Summary, and airline tickets or airline eTicket receipts. In addition, you should bring with you a copy of the Cruise Passage Contract. All passengers, including children, must travel with a passport, valid for at least six months from the end of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you don't have the proper documentation, you will be prevented from boarding

the flight or vessel without refund of the cruise fare and/or airfare, and you will be subject to any fine or other costs incurred by Princess. Please consult your travel agent for full details regarding documentation, as it is your obligation to determine what documents will be necessary. Remember your medical insurance ID card and travel insurance information as well. If you are traveling with children, please refer to the "Children" section under General Information for additional document requirements.

Taking care of business

What does the price include? Your comprehensive cruise fare includes onboard accommodations, ocean transportation, meals, some nonalcoholic beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities, discretionary hotel and dining charges and medical services.

Do I need cash on my vacation?

Yet another convenience of cruising with Princess is being able to sign for all of your shipboard expenses, excluding stamps. Casino chips, slot tokens and bingo cards can also be obtained on a casino room charge (for a nominal fee). You'll receive an itemized statement of all charges the night before disembarkation, and having registered your credit card at embarkation, your onboard account will automatically be settled on the day you disembark with no need to wait in line. We accept the Princess Rewards Visa Card, Visa, MasterCard, Discover Card, Diners Club, Carte Blanche and American Express/Optima. U.S. currency, Canadian currency, British currency, Euro currency and traveler's checks are also accepted. Those paying by traveler's checks or cash will be required to leave a \$300 USD per person cash deposit with the Purser/Passenger Services Desk at the beginning of the cruise. Cruisetour passengers will find that traveler's checks and major credit cards are widely accepted in most ports of call.

When will I receive my

documents? Only Princess eTickets offer you the freedom and flexibility to access your booking details any time you want. Upon confirmation of your booking, you can use the Cruise Personalizer at princess.com to review the Passage Contract, view your reservation, complete all required Passenger Immigration information and provide an email address and telephone or cell number so that we may communicate important pre-cruise information with you. At approximately 120 days prior to the voyage departure date,

via the Cruise Personalizer, you will have access to view and reserve the shore excursions offered and book Lotus Spa® appointments available on your voyage.

As part of our ongoing commitment to service innovation, Princess no longer mails pre-cruise documents. Instead, to help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Personalizer and Cruise Answer Place at princess.com as well as other helpful advice. Your Travel Summary may be viewed and printed at any time. You may print your Boarding Pass and personalized luggage tags within 75 days of sailing once your booking is paid in full and all required Passenger Immigration information has been provided. With Princess eZAir, you will be able to view your air details immediately on Cruise Personalizer. You may obtain eTicket receipts, make seat selections and more directly on the airline's website. If you do not have Internet access, your travel agent may assist you in securing the necessary information or call 1-800-PRINCESS (800-774-6237) for assistance.

Do you provide Express Check-Out?

Like the finest hotels, Princess offers a quick and easy check-out service on board. Just register your credit card at embarkation or at the Purser's/Passenger Services Desk as early as possible during your cruise.

What should I do about tipping?

During your cruise, regardless of which Princess ship you choose, you will meet staff who provide you with excellent service. Crew members often rotate to different vessels within the Princess fleet which helps to maintain our high standards on every ship. These dedicated workers reflect our philosophy that all crew on all ships are but one family who share in our success.

To simplify the tipping process for our passengers, a discretionary gratuity of \$12 per person for mini-suites and suites, and \$11.50 per passenger in all other staterooms per day (including children) will be automatically added to your shipboard account on a daily basis. This gratuity will be shared amongst those staff who help provide and support your cruise experience, including all waitstaff, stateroom stewards, buffet stewards, and housekeeping staff across the fleet. For your convenience, this gratuity can be pre-paid before you sail by calling 1-800-PRINCESS and referencing Special Services item number 0597.

A 15% gratuity is added to bar charges and dining room wine accounts. This is shared amongst the beverage staff and their support

staff. We know you will find these services on board exemplary.

Casino dealers and Lotus Spa® personnel do not share in these gratuities, as not all passengers utilize these services.

Do you offer travel insurance?

We strongly recommend the purchase of Princess Vacation Protection travel protection, which covers up to the full value of your trip in case you need to cancel or interrupt your trip. There will be no refund of cancellation or interruption fees by Princess. You must recover such fees from Princess Vacation Protection or other travel protection. For a more complete description of this program, please refer to the Vacation Protection section of this brochure. Additionally, you will want to reference the Princess Vacation Protection information pamphlet for a full listing of the coverage provided. Please contact your travel agent for current rates.

How do I make arrangements for dining room seating and special diets? Seating arrangements in the dining room are made by request on a first-come, first-served basis. To request Anytime Dining™ Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking. Your dining arrangements will be shown on your Travel Summary.

What about clearing customs?

At the end of your cruise, customs and immigration inspectors will review your customs declaration form, on which you are to list all of the dutiable articles bought in foreign ports or in the ship's boutique. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages, if purchased ashore, for each passenger over 21 years of age. Canadian citizens, when out of the country for seven days or more, may bring back up to \$750 CAD duty-free. It is recommended that passengers keep their sales receipts handy for declaring their purchases. Food items should not be landed in U.S. ports.

Extra services

What about celebrations at sea?

When you cruise with Princess, every day is a celebration. But if you're planning to travel during an anniversary, birthday, honeymoon or other specific event, you can rely on us to pull out all the stops. Simply have your travel agent advise us of such occasions at least three weeks prior to departure, and we'll be happy to spotlight your event in the dining room or with special packages (some charges may apply).

Are there babysitters on board?

Although private babysitting is not available on any ship, group kidsitting is available for children ages 3-12 between the hours of 10 p.m.-1 a.m. in the Youth Center on select vessels. The charge is \$5 USD per hour, per child. Complimentary supervised activities are available in port from 8 a.m.-5 p.m. for youth passengers ages 3-17. Due to limited facilities, group kidsitting is not available on Pacific Princess and Ocean Princess.

How can I be reached at sea?

To provide greater peace of mind while you're away from home, give friends and relatives the following information on how to telephone you. Call 1-900-329-SHIP from the United States or 1-900-565-2800 from Canada. Note that 900-number telephone services are not available from all areas, and may not be accessible on your home phone. For calls originating outside the United States or Canada, please visit www.princess.com/learn/faq_answer/onboard/in_touch.jsp for dialing instructions. Calls can also be charged to a credit card in both the United States and Canada by dialing 1-877-656-7447. Visa, MasterCard, American Express and Discover Card (not Canadian) are all accepted. The cost for each call is \$8.95 USD per minute or \$11.95 CAD per minute. The 900 service can be used to call or fax the ship. Please include passenger name and cabin number to ensure quick delivery.

Safety first

Princess Cruises' highest priority is the safety and well-being of our passengers and crew. To support this, our ships are fitted with modern equipment and technology, and we have strong safety standards in areas such as crew training, safety systems and equipment, emergency response, fire prevention and detection, emergency evacuation, and accident prevention. To ensure our safety standards are met, we have comprehensive internal auditing processes, and we work closely with the U.S. Coast Guard, our Flag States and other maritime authorities around the world. All Princess ships meet or exceed the safety regulations set forth by the International Maritime Organization (IMO) through its Safety of Life at Sea (SOLAS) convention. Through Cruise Lines International Association (CLIA), Princess is active at the IMO and helps to shape International regulations in a number of areas of safety.

Protecting the environment

Princess makes its living on the oceans, and therefore we are committed to environmental practices that will help preserve the marine environment in which we operate. We work closely with the regulatory and enforcement

organizations that govern the cruise industry's environmental practices to ensure that our policies meet or exceed environmental regulations. Princess has invested millions of dollars fitting and developing waste management and garbage disposal technology including advanced waste water treatment systems and ballast water treatment systems. Princess was also the first cruise line to equip its ships to use "shore power" —turning off ship engines in port and instead using surplus power generated on shore, thereby reducing air emissions in ports equipped with this technology.

Staying healthy

Norovirus is the most common cause of gastroenteritis in the developed world. As your health and safety is our highest priority, we have taken numerous measures to prevent and contain illness on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention (CDC). The simplest way for you to stay healthy is to frequently and thoroughly wash your hands with soap and water, especially before eating and after using the toilet. You'll also find hand sanitizers located throughout the ship for your use after washing your hands.

"Princess" or "Princess Cruises" as used herein refers to and means the "Carrier" as defined in the Passage Contract. Transportation of passengers and baggage on Princess ships is provided by the Carrier and is governed by the terms and conditions of the Passage Contract, which represents the entire agreement between the Carrier and the passenger. It is important that you carefully read the entire Passage Contract, a copy of which is available on our website, princess.com, or which may be obtained from your travel agent or Princess Cruise Lines, Ltd., and which sets forth the rights and responsibilities of Princess and the passenger. Upon booking the cruise, you explicitly agree to the terms of the Passage Contract. Princess vessels are registered in Bermuda and are operated as specified in the Passage Contract.

Fares. Lead-in Original Fares are based on the lowest **standard** category stateroom for each category type. Original Fares and other amounts shown are quoted in U.S. dollars unless stated otherwise; are available in North America only; are per person based on double occupancy and represent the lead-in introductory fares and are subject to change. "Cruise fares" and "cruisetur fares" include accommodations from the initial point of vessel embarkation to the final point of disembarkation as specified in the travel itinerary ("the itinerary"), and all regular meals and entertainment while on board. The cruise ticket and hotel packages are valid only for the named passenger and may not be sold or transferred.

- Single Occupancy Fares. Single Passengers pay an exclusive occupancy supplement, calculated as follows:

Interior, Oceanview (standard and obstructed): 160% of cruise fare (200% for all cruises 6 days and less).

However, Princess reserves the right to impose a fuel supplement of up to \$9 per person, per day, if the NYMEX oil price exceeds \$70 per barrel, even if the cruise fare has already been paid in full. Lesser or greater fuel supplements may also be imposed on new bookings.

Government Fees and Taxes. "Government Fees and Taxes" may include any and all fees, charges, tolls and taxes imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to U.S. customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, air taxes, hotel or VAT taxes incurred as part of a land tour, inspection fees, immigration and naturalization fees, and Internal Revenue Service fees, whether assessed on a per passenger, per berth, per ton or per vessel basis. In the case of per ton or per vessel assessments, those assessments will be spread over the passengers on board. Government Fees and Taxes are subject to change and Princess reserves the right to collect any increases in effect at the time of sailing, even if the fare has already been paid in full.

Fares, Other Charges and Schedules Subject to Change. Every effort will be made to adhere to the specifics shown herein and in the itinerary; however, circumstances may necessitate alterations.

All fares for cruises and cruisetours and/or airfare packages or other charges as well as schedules, port calls, hours of arrival and departure and special programs are subject to change without prior notice. Princess shall not be required to refund any portion of fares or other charges nor make any other compensation under these circumstances. Accordingly, Princess is not responsible for the change or cancellation of any personally scheduled event because of alterations to the itinerary of any cruise or land tour. Any cruise may be canceled by Princess. Rates are published herein and no verbal quote to the contrary or misquotes will be honored. Princess reserves the right to collect any fare increase in effect at the time of sailing, even if the fare has already been paid in full.

Reservations. A deposit must be received within 24 hours to three days of booking depending on the departure date. The deposit is 20% of the cruise or cruisetur fare for all voyages excluding the World Cruise and any World Cruise segment longer than 44 days which are 30% of the cruise fare. A split deposit (10% initial payment and 20% due subsequently) is available for passengers booking a Full World Cruise or segments longer than 44 days. Call 1-800-PRINCESS for details.

For combined cruises, a deposit is required for each segment. Formal confirmation will be made to the passenger's travel agent when the deposit is received.

All agent credit card payments for cruises should be phoned in to 1-800-421-1700. All agent credit card payments for cruisetours should be phoned in to 1-800-426-0442. We are unable to accept MCOs (Miscellaneous Charge Orders) for payment.

Cruise Personalizer. As you prepare for your Princess vacation, you will need to provide us with important information. Please visit the Cruise Personalizer at princess.com and review the Passage Contract, complete all required Passenger Immigration information and provide an email address and home and cell phone numbers so that we may communicate important pre-cruise information with you. Your Travel Summary, which may be viewed at any time, includes your itinerary, travel document/visa/vaccination requirements and more. From the Cruise Personalizer you may print your Boarding Pass and personalized luggage tags and view air details if purchased through Princess. Any additional documents such as airline eTicket receipts or paper air tickets, etc., may be sent via fax, mail or email to your travel agent approximately 14 days prior to departure. If Internet access is not available, your travel agent will assist you in securing the necessary information or call 1-800-PRINCESS for assistance.

Digital Documents. To help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Answer Place at princess.com as well as other helpful advice.

Boarding Pass, Travel Summary and Luggage Tags. Your Boarding Pass and Travel Summary verify your passenger status throughout the embarkation process, from port security to cruise check-in. By presenting your Boarding Pass at cruise check-in, you'll experience an expedited check-in. If you are unable to print your Boarding Pass, please print your Travel Summary to carry with you to cruise check-in. Personalized luggage tags are available via the Cruise Personalizer and can be printed from your home computer. Your Boarding Pass and luggage tags may be printed within 75 days of sailing once your booking is paid in full and all required Passenger Immigration information, including a credit card to establish your onboard account, has been provided.

Cancellation of Reservations. Cancellation notices must be received by Princess via telephone or via electronic device through a Princess-authorized Computerized Reservation System (CRS). Changes of sailing date or substitution of passenger names are considered to be cancellations and new bookings. All sailing date changes and name substitutions are subject to space availability and, if accepted, are subject to the rates, discounts, cancellation fees and booking conditions in effect at the time of the change or substitution.

All passengers are required to pay a cancellation fee (including 3rd- and 4th-berths) if they cancel their cruise, cruisetur or Cruise Plus package. Cancellation fees are based on the fare paid, excluding Government fees & taxes, transfers, fuel supplement, shore & land excursions and most special service items. The amount of cancellation fee varies based on length of sailing for cruise/ cruisetur and timing of cancellation for cruise/ cruisetur and Cruise Plus package, as illustrated in the schedules below.

Any refund owed to you will be made directly to your credit card account or your travel agent and you must receive your refund directly from these sources.

Some travel agents may, at their discretion, withhold an agency cancellation fee. Princess is not responsible for payments made to the passenger's travel agent but not received by Princess, or for the passenger's receipt of any refund which Princess has paid to the passenger's travel agent. There will be no refund of cancellation or interruption fees by Princess under any circumstances. You must recover such fees from your own insurance or from Princess Vacation Protection/Princess Platinum Vacation Protection.

Cancellation Policy Exception. If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your cruise or cruisetur fare if you cancel your booking.

Air Refunds. Once airfare is paid in full, if air is cancelled, refunds may be available net of:
• any cancellation fees charged by Princess.
• any cancellation fees charged to Princess or passenger by airlines.

Refunds will occur after the airline and Princess cancellation fees have been assessed. In the event a paper ticket was issued and the air tickets are not returned to Princess, there will be no refund.

Princess Vacation Protection. With Princess Vacation Protection, you'll be covered up to the full value of your trip. Please contact your travel agent for a description of this program and refer to the Princess Vacation Protection information pamphlet for specific details. Rates for Princess Vacation Protection and Princess Platinum Vacation Protection are subject to change without notice. Please contact your travel agent for current rates.

Baggage Handling. Princess makes every effort to assist its passengers in safeguarding their belongings and valuables, but all passengers' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the passenger at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, we have provided a safe in each stateroom. For flights within land tours and to and from the ship, weight restrictions on baggage apply.

Stateroom Occupancy. Occupancy of any stateroom(s) is limited to the number of berths in that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

Important Notice Concerning Safety. Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety on board its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that passengers and their travel agents obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

Travel Agents. Your travel agent acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel agent to make your Princess reservations or call 1-800-PRINCESS.

Travel and Health Documents. Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the passenger to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetur fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Passengers should consult their travel agent for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

Health, Disability and Wheelchair Notice. Passengers must notify the Princess Fleet Medical Department in writing (fax number 661-753-0121) at the time of booking of any physical or mental illness, disability or other condition that may require medical treatment or render the passenger unfit to travel or which may constitute a risk or danger to the passenger or anyone else on board the ship. Passengers are requested to notify the Princess Access Office in writing (fax number 661-284-4408) at the time of booking of any condition for which special accommodation or the use of a wheelchair, power wheelchair or scooter is contemplated or necessary. We

recommend passengers using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use on the land portion of a cruisetour and a Cruise Plus hotel package. If you have purchased Princess eZAir and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

Refusal of Passage and Premature

Disembarkation. Passage may be refused to any passenger, and any passenger's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the passenger's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else on board the ship. Additionally, the ship's Captain may refuse transportation to any passenger or may terminate any passenger's voyage who, in the sole discretion of the ship's Captain, is believed to be dangerous to himself or others or whose presence on board causes or may cause disturbances to Princess' passengers or crew, including those passengers engaging in excessive, disruptive, or obscene behavior. Such passenger may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any passenger who must leave the vacation prematurely for any of the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the passenger. Princess reserves the right to refuse to do business with any person.

Medical Facilities and Staff. Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any passenger. These medical providers exercise their own medical judgment and expertise.

Pregnancy. Princess cannot accept passengers who will have entered the 24th week of pregnancy by the end of the vacation.

Children/Age Requirements. Children under six months are not permitted to travel to Alaska, Canada & New England, Caribbean & Mexico, Europe and Panama Canal. Children under twelve months are not permitted to travel to Africa, Asia, Antarctica, Australia, New Zealand, Indian Subcontinent, South Pacific, Tahiti, Hawaii, South America and on Transatlantic and Transpacific sailings. Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. All passengers under the age of 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for passengers under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Minimum age for escorted cruisetours is 5 years old. Passengers under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth and Teen Centers for special disco events designed for kids and teens.

Pets. We are unable to accommodate any animals on board the vessel, except for certain service animals of passengers with disabilities.

Shore Excursions and Land Tours. These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour whether or not such shore excursion or tour was purchased through Princess.

Land and Air Arrangements. Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

Cruisetour and Cruise Plus® Hotel Programs.

Prices have been based on exchange rates at time of printing and are subject to change without notice. Princess reserves the right to substitute hotels of similar type and other features of the tour or hotel package. Bookings made for Cruisetours and Cruise Plus Hotel Packages after tickets have been issued may result in a higher cost due to changes in air reservations. Due to flight arrival times, rooms may not be available upon arrival. Hotel check-in times vary, but are generally between 3 p.m. and 5 p.m., unless otherwise stated. Check-out times vary between 10 a.m. and noon. All special requests such as nonsmoking rooms, king-size beds, etc. are at the discretion of the individual hotel property. Every effort is made to accommodate your request, but it cannot be guaranteed. Please note: single occupancy rooms may be quite small, with one twin, and triple occupancy rooms may have one double bed and a rollaway, not recommended for three adults. Hotel loyalty programs are at the discretion of the individual hotel properties. Cruise Plus passengers will forfeit all complimentary hotel overnights which coincide with the Cruise Plus package. Hotels are not owned or operated by Princess. Sightseeing options are subject to change and cancellation due to lack of participation. Land programs require a minimum number of passengers to operate.

Claims for Injury, Illness or Death/Notice

Requirements/Time Limits. Any incident or accident resulting in injury, illness or death to the passenger, whether occurring on board ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or bodily injury, illness or death to the passenger unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within six (6) months from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in Santa Clara or Chatsworth, California.

Smoking, Drinking and Gaming. Smoking is prohibited in passenger staterooms and balconies. Clearly marked "Designated Smoking Areas" are available on board and include a sufficient number of ashtrays that are emptied regularly. Show lounges, dining rooms and all

food services areas on board all Princess ships are nonsmoking. Passengers must be 18 (19 while in Alaska) years of age or older to purchase or smoke tobacco on board all Princess ships. Passengers must be 21 years of age or older to purchase or drink alcohol or gamble on board all Princess ships at all times. Passengers under 21 years of age are not permitted to purchase or consume alcohol or gamble on board a Princess vessel. Please note that while Sun Princess and Dawn Princess are deployed in the Australia Market, the age for purchasing and drinking alcohol and gambling is 18 years old. Duty-free alcohol is available for purchase in our gift shops on board and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed on board. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne on board to celebrate a special occasion. Wine and/or champagne brought on board and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee, which is subject to change.

eZAir Program and Passenger Transfer

Gateway Cities. The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice.

eZAir Program Booking Procedures,

Identification and Refunds.

Passengers purchasing flights under the eZAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Passengers booked on restricted fares are required to be paid in full at the time of booking. Passengers booked on flexible fares must be paid in full no later than the Final Payment due date, as indicated by Princess Cruises' reservations system. All flights and air pricing are subject to change until full payment is received by Princess Cruises.

Passenger agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Passenger is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e., Passport). All airline tickets are the property of the carrier and must be returned to carrier.

Passengers purchasing flights under the eZAir Program may choose their flight and cabin at the time of booking. Passengers will be able to choose from a selection of flights under either the Flexible or Restricted program.

Ticketing. Depending on your itinerary, paper air tickets may be required and will be sent under a separate mailing. These tickets must be presented to the airline for travel. Princess may use a charter air service. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Princess may issue paper or electronic airline tickets. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revalidated, or exchanged for another carrier or routing. Many airlines will charge a fee for one or more checked bags. Please contact the airline in your itinerary for details.

Air Departure Taxes. Some countries require passengers to pay an airport departure tax which is not included on the passenger air ticket. The individual passengers are responsible for this tax. In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel agent verify any applicable tax for which the passenger may be responsible.

Airfares, Fees and Taxes. Airfares include air transportation and airline-imposed fuel surcharges. Air fees and taxes include any and all fees, charges and taxes related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including, but not limited to, passenger facility charges, departure taxes, a September 11th

Security Fee of up to \$10 per passenger, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes).

Airline In-Flight Service Requests. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

Overnights. For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for passengers to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at passengers' expense. Passengers will also be responsible for all meals and other items of a personal nature. Passengers may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements.

eZAir Next Port Protection. Passengers who book air travel through Princess Cruises will be automatically enrolled in the Princess next port protection program. If passengers miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Princess will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the passenger.

Flight Reconfirmation. Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

Princess' Transfer Program. Cruise and cruisetour passengers may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only. They are available to both FlightChoice passengers and to those passengers who have made independent flight arrangements. All passengers will automatically have transfers included in their bookings.
