3 How do you choose the itinerary that's best for you?

First, how much time do you have and how long would you like your vacation to be? Princess has options from a week to over a month. What places and experiences are on your travel bucket list? Imagine how and where you want to escape completely. Then find an itinerary to match.

4 What's your budget?

Your cruise fare is determined by several factors — destination and length, time of year, stateroom choice, and availability. Stateroom fares are quoted per person and based on double occupancy — with elegant and casual dining options, onboard

entertainment like production shows, musicians and comedians, a Las Vegas-style casino, and much more included with your fare.

5 Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 passengers to smaller, more intimate vessels accommodating just 680. Ask your travel agent for more details, or visit princess.com/ships to learn more about each of our ships, or take a virtual tour of their public areas.

6 What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathrooms. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities including luxury mattress and pillows. An oceanview double include a large picture window providing added ambience and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit princess.com/staterooms.

7 Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to escape completely. Be sure to book early for the best selection of staterooms. Be sure to inquire to have your group's staterooms close to one another. For those sailing with kids, our free onboard youth and teen programs are excellent, and family-friendly shore excursions are available.

8 Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from your ship to your airport or hotel. Princess eZAir® is a convenient and easy planning tool from Princess that offers competitive fares and Next-Port Protection, getting you onboard at the next available port in the event you miss your embarkation. And our Cruise Plus® Hotel program offers peace of mind and convenience, with excellent centrally located hotels before or after your voyage. To learn more about Princess eZAir, our Cruise Plus Hotel program and transfer options available, ask your travel agent or visit princess.com.

9 What kinds of shore excursions most interest you?

From sightseeing and nature tours to off the beaten path adventures and more, you can experience the best of every destination with a Princess Cruises shore excursion. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or visit princess.com/excursions to learn more.

10 What if you need to cancel?

It is important to note there are restrictions regarding fare refunds and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date that Princess Cruises is notified of your cancellation. Visit princess.com for specific details. For a great option for protecting your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel agent for more details.
