PLEASE READ.....

1. Please read your invoice thoroughly. Please thoroughly review this invoice. The lead passenger on the cruise booking is usually the sole recipient of invoices and is therefore solely responsible to convey all information to all traveling companions. Individual passengers traveling together or sharing a cabin will receive separate invoices and are responsible for reviewing these invoices thoroughly. Please allow sufficient time for us to process your payments as these payments may not be processed and posted immediately by the cruise lines to your booking. Therefore payments are due to Cruise Adventures Travel Company approximately 7-10 days before the cruiseline's final payment date. This allows Cruise Adventures to process the payments in a timely fashion. We appreciate your cooperation. **Please verify correct and legal spellings of all names on the booking. Please verify your correct mailing address.**

2. Read suppliers' brochures carefully. Supplier brochures contain important information. Please review the cruiseline or tour operator's policies regarding cancellation penalties. If you have a cabin assignment, please verify its location in the brochure to ensure satisfaction. Please review the invoice and verify that the ship, sailing date, and itinerary in the brochure are correct.

3. Please read the enclosed information and check our website - www.cruiseadventurestravel.com under the "Know Before You Go" section of the "booked guests" page. If you have any questions, please contact us at (760) 743-7447. If you do not have access to a computer, please let us know and we would be happy to provide you with the information in paper format.

4. Please Read and Review your tickets and documents thoroughly. It is the passenger's responsibility to thoroughly review all the documents and verify that **all** information is correct. Any changes made to the booking after documents are issued are **subject to additional fees assessed by the cruiseline.**

5. A WORD ABOUT MAKING YOUR OWN AIR ARRANGEMENTS... *If you have booked your own airfare to your cruise and purchased travel insurance, please confirm your exact travel dates with us to ensure that you are totally covered for your cruise vacation.* In addition, please confirm your exact travel dates and air schedule with us to ensure that YOUR air schedule meets the cruiseline's requirements for arrival and/or departure.

6. A word about travel insurance. If you have not purchased travel insurance, you may purchase it to cover pre-existing conditions generally within 21 days of your deposit. **PLEASE CHECK WITH US regarding this coverage.**

You may purchase regular coverage any time prior to sailing as long as no health conditions have changed. We do recommend purchasing it with your initial deposit to cover pre-existing conditions as this covers those who are traveling as well as immediate family. If you have any questions, please contact us.

Contact Cruise Adventures Travel Company *immediately* if ANY changes or corrections are necessary OR if you have an additional questions. Thank you for Cruising With Cruise Adventures Travel Company !!!!
