The Youth Staff:

The Youth Staff is carefully chosen from Education and Recreation programs at Universities. NCL wants them to be experts at FUN...designing specialized programs for all ages. They're also committed to keeping watch over your children so that you can rest and relax knowing your children are having fun. Each staff member is also CPR and FIRST AID certified..so your child is safe and secure at all times. They are dedicated to making your child's experience safe and fun.

Specifics & Restrictions:

A few things you need to know before your child's fun begins:

- **The Youth Facilities are an Adult Free Zone during Port Play, Program and Late Night Fun Zone hours. A parent or guardian is required to register kids ages 2-17. After registering, kids can participate as often as they choose.
- **Your child will be assigned to an age group based on his/her age at sailing. If they have a birthday while at sea, only then they are moved up. The minimum age is 2 years old. Sorry, no exceptions can be made-this helps keep your child safe.
- **Once registered by a parent or guardian, only the authorized adults over 21 may sign kids ages 2-12* in and out of Kid's Crew. The authorized adult, over 21, must be listed on the Registration Form in order to pick up a child from Kid's Crew. Until our Youth Staff gets to know you, have a photo ID ready for drop off or pick up.
- **Kids 10-12 can be authorized by their parents to sign themselves in and out of program after 2 hours of active participation in the program. Only a designated adult over 21 may sign them in and out of Kid's Crew. The designated adult, over 21, must be listed on the Registration Form in order to pick up a child from Kid's Crew. Until our Youth Staff gets to know you, have a photo ID ready for drop off or pick up.
- **We're flexible. Our activities and programs are subject to change to accommodate the group's needs during high and/or low season.
- **Sorry, we are not able to have one-on-one care within our Youth Programs.
- **Leave the flip-flops and sandals in your stateroom-we play hard and require proper footwear.
- **We are not able to change diapers or pull-ups, but we leave you with a beeper or handy phone to alert you to do the duty. Beepers and handy phones do not work ashore, so at least one parent will have to stay onboard when their children are in our Youth Program.
- **If your child is not well...any sick children need to be seen at the medical center before coming to the program. There is no charge if your child is well and once the doctor clears them, they are allowed to join in. Please also let us know of any allergies or medications your child has or needs when you register them. Snacks are provided and we want to make sure that we know of any individual needs.
- **Want to involve the whole family? Great activities are offered throughout the cruise including Pizza Making and Family Movie Night. Just remember, a parent is required to attend with a child to participate.
- **Because our Youth Staff is not included in onboard gratuities, cash gratuities are divided among the staff and greatly appreciated. Individual gratuities can be made through the onboard Reception Desk.

FreeStyle Free Play - NEW

As part of the NCL Youth Kid's Crew Program, NCL offers Free Style Free Play for all age groups to socialize and play together. The designated time slots are the 1st hour of Kid's Crew, 2 hours in the afternoon, and the last ½ hour of Kid's Crew. Please note that based on high kid counts, the 2-4 year olds may be kept separate with other fun programming. Please feel free to contact the Youth Program Supervisor on board with any questions. Times may vary slightly per ship and itinerary. And who said cruises aren't for kids? It's our middle name. NCL offers what you want, what your kids want- good times all around, for all ages, at all times, just the way you like it. Plus, complimentary activities happen every day- whether your child wants to paint, have a pajama party or put on a show. And just think of the new friends they'll make- you might even have to schedule time just to see them.

The Youth Staff

Kid's Crew Safety and Emergency Information

Relax-it's your job to have fun and our job to keep your kids happy and safe. Every child in Kid's Crew receives a Kid's Crew bracelet with their name, stateroom number, emergency station, allergies, and medications listed. If an emergency does occur, our Youth Staff is responsible for the mustering of the child in their care and bringing them to safety at the Child Muster Station. There, you can claim your child. All unclaimed children will be taken to the secondary station and distributed to their assigned lifeboat stations.

Group-Sitting Options for Kids

Need a little more "me" time? We offer more supervised fun for the kids. "Port Play" and the "Late Night Fun Zone" are both fee-based group-sitting services for kid's ages 2-12. The Youth Staff runs these activities in the Kid's Crew Facilities and all the requirements and procedures noted above apply.

While in Port, "Port Play" is offered from arrival in Port to departure from Port or on an overnight in Port from 8am-8pm. These times do vary from ship to ship based on itineraries. The Youth Staff will also accommodate those parents booked on early Shore Excursions. As a courtesy, we ask that you sign up by 8pm the evening prior to the desired "Port Play". The charge is \$5.00 per hour, per child, and \$3.00 per hour, per each additional sibling in the same immediate family. Charges are applied directly to your onboard account.

The "Late Night Fun Zone" is offered nightly from 10:30pm-1:30am. The charges are \$5.00 per hour, per child, and \$3.00 per hour for each additional sibling in the same immediate family. Charges are applied directly to your onboard account. As a courtesy, we ask that you sign up by 8pm the evening prior to the desired "Late Night Fun Zone".

A reminder, if your child requires you to keep a beeper, a parent or guardian must stay behind on the vessel during either activity, as our beepers and handy phones do not work off the ship. Also, no private or in-stateroom babysitting is available on any NCL vessel.

Our Youth Staff is waiting for you to sign up! We know your kids will have a blast!

Youth Program Discipline Policy:

Your children are important to us. We want your kids to have as much fun and be as safe as possible. Here is our four-step Discipline Policy to ensure this happens.

STEP 1: Warning: The Youth Counselor addresses the child and it is explained that his/her behavior is unacceptable and needs to be improved immediately.

STEP 2: Time out: If the child continues to disobey the Youth Counselor, a time out is issued and the parents are notified at pick-up time.

STEP 3: Suspension: If a time out is not effective in eliminating the inappropriate behavior, the parents are located and the child is grounded from the program for 24 hours. The child is then welcomed back, but if there is any reservation on the part of the Youth Counselor a parent may be required to attend with their child.

STEP 4: Dismissal: Once the child is allowed back into the program after the initial dismissal, if any disobedient behaviors continue, the child will no longer be allowed to participate.

In regards to 2-5 year olds, after 15 minutes of continuous crying, the parent will be called to pick-up their child as we are not able to have one-on-one care within our Youth Programs.

More Family Friendly Features

Cannon balls welcome here. Just for our Junior cruisers, we offer splash pools on Norwegian DAWN, STAR and SPIRIT.

Each ship has its own children's themed wet and wild fun areas-slides, water squirters, and splash areas far away from mom and dad's main pool area.

Think about this-we have arcades on every ship, but the bigger the ship the bigger the arcade and how much fun can you have in a day!

Move over Tarzan, we got kids coming in! NORWEGIAN DAWN, STAR, SPIRIT, JEWEL, PRIDE OF AMERICA, and PRIDE OF HAWAII offer jungle gyms with ball pits and tunnels. Just check out our Kid's Crew facilities registered participants can jump in anytime.

Time to go surfing? Our onboard Internet Café is perfect for kids to send emails to friends, access AOL accounts and just surf the net. Basic time charge is .75 per minute and we offer great packages too. Parents wishing to block their children from Internet access can do by requesting the ship's Internet Café Manager onboard to de-activate their accounts.

Family Friendly Accommodations

Our staterooms are designed with your family in mind-just the way you like them.

Freestyle Dining for All

Not a lima bean in sight-we give kids what they want to eat-all day long in our Kid's Café-our newest addition to the fleet: the NORWEGIAN DAWN, STAR, AMERICA, JEWEL and all of our future ships. Kids can dig into our Kid's Buffet:

sandwiches, hot dogs, fruits, yes, some veggies, French fries and cookies. They'll love the tables and chairs just their size too.

Plus each itinerary offers a special Kid's Crew Dinner-sorry mom and dad, it's kids only this time. Sign up with the Youth Program staff.

TEENS CREW:

Break some ice here. Our Teen Program is a great way for teens ages 13-17 to meet each other while engaging in some cruising fun. A member of our Youth Staff supervises all activities. They know what teens want to be doing and design all programs accordingly. Enjoy theme parties, sports events, dining together or taking in a show as a group.

Specifics & Restrictions

Activities are flexible and subject to change based on participants.

We reserve the right to cancel if no teen shows within the first 15 minutes of the scheduled activity. Teens will meet at the next scheduled activity.

Teens not feeling well need to visit the medical center before being admitted to the program.

Guardians must alert the Youth Staff of any allergies, medications or special needs of their teen when registering.

All Teens are responsible for any personal items brought to activities and events.

Because our Youth Staff is not included in onboard gratuities, cash gratuities are divided among the staff and greatly appreciated. Individual gratuities can be made through the onboard Reception Desk.

NCL strongly encourages that no teenagers go ashore alone in the ports of call.

If you have any questions, please see the Youth Program Supervisor.

Teens Crew Safety & Emergency Information

Teens are responsible for reporting to their assigned emergency stations in the event of a ship emergency. Crew members throughout the vessel are trained to assist those in need.

Teens participating in Teen's Crew are prohibited from smoking, drinking alcohol, and using profanity while attending Teen activities.

Violence and vandalism will not be tolerated, ever.

A Teen exhibiting inappropriate behavior will be asked to stop immediately. If they do not stop, they will be dismissed from the activity.

After dismissal, Parents and the ship's Security will be notified.

Any behavior reported to a Youth Staff member taken outside of the Teen Program will also be reported to Security.

Teens should be advised that all public areas are under 24-hour surveillance.
