### CAESAR & CLEOPATRA

- *By George Bernard Shaw*

*Shaw's legendary wit turns political drama into sparkling comedy when veteran strategist Julius Caesar becomes mentor to the enchanting teenage queen of the Roman-occupied Egypt. Their first encounter under a desert moon will lead to a shift in the course of history, as Cleopatra gradually overcomes her timidity to become a determined player in the game of power politics.*

### CABARET

- *By playwright John Van Druten*

*No sooner does struggling writer Clifford Bradshaw arrive in Berlin to work on his novel than he's distracted by a romance with a nightclub singer Sally Bowles. Meanwhile, the world around them is darkening under a sinister shadow, as Hitler's Nazis rise to power. Memorable tunes, deliciously decadent dance numbers and a poignant love story have made this one of the most popular musicals of modern times.*
