

Backwaters Nature Cruise

February 16th, 2016

Today we travel to Hontoon Landings located near Deland, where we will begin our journey through the back waters of the St. Johns River basin, our cruise even takes us down an old logging canal. There's lots of nature to be seen from the many different species of birds, to the rows of turtles sitting on the logs at the waters edge soaking up our famous Florida sunshine. Speaking of soaking up the sun look for the gators to be sunning, and sometimes we might even spot a manatee. After this wonderful 2 hour cruise we'll travel in to Deland for a buffet lunch at Cooks Café Bakery. Sign up now! Maximum of 49 people.
