## Small ships. Infinite possibilities.

Nose into secret moorages only yachtsmen know. Anchor off quiet islands accessible only by small ships and vivid dreams. Search for the perfect beach – under sail, of course – and celebrate with a champagne

toast when you find it. Drop by the Bridge to chat with the Captain, watch dolphins play in the bow wave, return to your outside stateroom or suite after an exquisite meal under the stars to drift off amid Egyptian cotton linens and fresh flowers. Now you know it. The definition of bliss.

Each voyage features a complimentary signature deck barbecue and Private Event, an enthralling affair that draws you in and profiles a culture from the inside out.
