# Get REAL.

Vacations designed  
for the true traveller.

Cosmos travellers know travel. And they know what's important once they reach their destination—the sights, the scenes, the locals and the legends. So Cosmos gets them exactly where they want to be at a price equally incredible as the vacation. For as low as just \$84 per day, Cosmos provides guided sightseeing, essential transportation, and convenient hotels, plus plenty of free time along the way.
