The Lost City of Petra, Jordan

## Extend your Egyptian adventure with other exciting destinations

With Uniworld's carefully crafted pre- and post-cruise optional land packages, you can spend even more time in world-class destinations—all while getting even more value out of your international airfare. Uniworld offers three exciting optional land packages to add to your Egypt river cruise and tour program.

### Amman and Petra, Jordan

Jordan is blessed with historic cities dating back to Biblical times, but the landscape has changed little in the last 2,000 years. Explore two legendary cities in Jordan. Amman, the capital of Jordan, looks out over 19 hills and enchants visitors with its thriving arts scene and pleasant Mediterranean climate. Located in northwestern Jordan and the largest city in the country, Amman is also one of the oldest continuously inhabited cities in the world. It is a captivating blend of old and new, where east meets

west. Modern buildings mix in with local shops and traditional coffee houses.

Petra, built around 100 BC, has been designated a UNESCO World Heritage Site and is one of the New Seven Wonders of the World. Known as the lost city of Petra, it was hewn from rose-colored sandstone. These cities are rich in culture, both modern and ancient, and provide the ideal addition to your Egypt program. Enjoy the shopping and browsing in the local markets, warm and friendly locals, and must-see monuments as you tour Jordan.

### Jerusalem, Israel

The perfect extension to your Egypt trip is Israel and its holy city of Jerusalem. As one of the oldest cities in the world, Jerusalem draws pilgrims from diverse religious backgrounds and mesmerizes them with its

many ancient and sacred sites. Dating back to the 4th century BC, every street in Jerusalem has a tale to tell.

As you discover Israel's capital city, make sure to stop and admire its famous sites at every turn. Enjoy touring the Israel Museum boasting nearly 500,000 objects of fine art, archaeology, and Judaica and Jewish ethnography, dating back almost one million years ago to present day. You'll be taken to the Garden of Gethsemane, located at the foot of the Mount of Olives and where Christians believe that Jesus reflected and prayed following the last supper. You'll visit the Wailing Wall and go to one of the holiest sites, the Church of the Holy Sepulchre, which stands on the site where Jesus was crucified and buried.

Beyond the numerous archeological sites and awe-inspiring museums you'll visit in Jerusalem, the city also boasts a thriving arts and cultural scene, lively jazz clubs, and bustling restaurants that enchant visitors.

### Cairo and Alexandria, Egypt

Add more time in Egypt with an extension to Cairo and Alexandria. These two cities are very different, yet both will allure you with their inspiring cultural scenes, delightful local wares and rich histories.

As the capital of Egypt, Cairo mesmerizes visitors with its spectacular museums and ancient tombs. Known as both the "Triumphant City" and the "City of a Thousand Minarets" (referencing its awe-inspiring Islamic architecture), Cairo is a vibrant city with one of the world's largest urban areas, as well as being Egypt's largest city.

Egypt's second largest city, Alexandria, has been nicknamed the "Pearl of the Mediterranean," due to its proximity along the coast of the Mediterranean Sea. This beautiful seaside city with a comfortable Mediterranean climate was famous amongst scholars as the center of learning in the ancient world. And perhaps even more so, Alexandria is famous for being the setting for Cleopatra and Mark Anthony's tempestuous relationship.

Perfectly designed to blend the wonders of ancient and modern Egypt—as well as showcase the country's greatest natural and manmade treasures—this itinerary takes you across beautiful Lake Nasser to see mighty Abu Simbel, down the legendary Nile River, and into the heart of bustling Cairo. Discover ancient Egypt's most exciting sites: the awe-inspiring Pyramids and mysterious Great Sphinx of Giza; the majestic Temples of Karnak and Luxor; the splendidly preserved Temple of Edfu; and Wadi El Seboua, the “Valley of the Lionesses.” The Nubian jewels you'll find on this itinerary aren't available on any of our other tours.

Cruise onboard *Prince Abbas* across stunningly beautiful Lake Nasser—the world's largest artificial body of water. Along the way, encounter Nubian treasures and the awe-inspiring Abu Simbel—a 3,500-year-old complex displaying magnificent structures hewed from the rock during the rule of Ramses II and later rescued from the rising waters of Lake Nasser. Visit the impressive Aswan High Dam that created this remarkably remote and unspoiled lake in the 1960s. Then transfer to the *River Tosca* to discover all the wonders the great Nile River Valley has to offer.

**Who will enjoy this cruise:** This trip provides the perfect blend of touring great Egyptian monuments, cruising Lake Nasser and the Nile River, and sightseeing in Cairo. It's a real connoisseur's delight of everything Egyptian—from famous cultural artifacts to unspoiled natural beauty.

It is the largest temple complex ever built by man and represents the combined achievements of many generations of ancient builders. Eighty thousand laborers took part in its creation during the 19th dynasty alone. After seeing the temples, a motorcoach will take you to the banks of the Nile to board the *River Tosca*. After visiting the temple complex in Dendera, you will cruise the Nile to Luxor, where you can enjoy some free time in the afternoon before an early evening exploration of the ancient Temple of Luxor. # Uniworld Travel Protection Plan

## Providing you with cancellation flexibility and peace of mind while you travel

### SECTION I TRAVEL ARRANGEMENT PROTECTION

Provided by Uniworld\*

#### **Trip Cancellation** – Up to Total Trip Cost

Reimburses the non-refundable Uniworld cancellation penalties imposed if you must cancel your trip for a covered reason such as illness, injury or death to you, a traveling companion or an immediate family member. Other covered reasons for cancellation include Common Carrier-caused delays due to inclement weather, jury duty, subpoena, or a documented traffic accident en route to departure, and other reasons as cited in the plan description.

#### **The Uniworld “Any Reason” Cancellation Waiver\*\***

With the Uniworld “Any Reason” Cancellation Waiver, Uniworld will provide you with 100% of the Uniworld cancellation penalties in the form of a future travel credit certificate, should you cancel your cruise/tour prior to your original scheduled flight departure time for any reason that is not eligible for cash reimbursement under the Trip Cancellation section of the Travel Protection Plan. Cancellation penalties are reimbursed in the form of a Uniworld Travel Certificate allowing you a two (2) year credit to travel with us at a later date. Please note that to be eligible for the “Any Reason Cancellation Waiver,” you must enroll and pay for the plan at the time you make your initial trip deposit. The certificate is valid for two years, is non-transferable, non-refundable and may not be redeemed for cash. Future travel certificates do not include airfare cancellation charges for air arrangements unless those arrangements were provided by Uniworld.

#### **Trip Interruption:** Up to Total Trip Cost

If you have to leave your vacation unexpectedly (for covered reasons such as illness as described above), you will be reimbursed for the unused, non-refundable portion of your travel arrangements, plus the cost of returning home, up to your total trip cost.

#### **Trip Delay:** Up to \$1,000 (\$150/day)

If you miss the departure of your cruise/tour due to carrier-caused delays or other covered reasons, the plan reimburses you for additional accommodations, meals and “catch-up” transportation expenses.

### SECTION II TRAVEL INSURANCE BENEFITS

Underwritten by Stonebridge Casualty Insurance Company\*\*\*

#### **Baggage Protection:** Up to \$2,500

If your baggage or personal property is lost, stolen, or damaged, the plan will cover up to \$2,500. If your bags are delayed or misdirected for more than 24 hours, the plan will reimburse you up to \$500 for the purchase of necessary personal items.

#### **Medical & Dental Expenses:** Up to \$50,000

Should you become injured or sick during your vacation, the plan will reimburse you up to \$50,000 for necessary medical expenses for up to one (1) year from the date of your accident or illness or emergency dental treatment incurred during your tour. This coverage is especially important, as Medicare and many private insurance policies generally do not cover you outside of the US, and many HMOs do not cover you outside their provider area.

#### **Emergency Evacuation/Repatriation:** Up to \$50,000

In the event that a covered illness or injury requires air or ground transportation to a specialized facility or to return home, the plan provides up to \$50,000 in covered medical services and supplies (coordinated by our 24-hour assistance provider, to help ensure your safe transport). The plan also provides payment for transportation of mortal remains in the event of death that occurs during the tour.

### SECTION III WORLDWIDE EMERGENCY ASSISTANCE SERVICES

# Terms & Conditions

We at Uniworld want to do everything we can to make sure your trip is enjoyable and worry-free. As part of that commitment, we are including the following information about your trip. Please read these pages carefully, as payment of a deposit represents an acceptance of the Uniworld Terms and Conditions.

## Your Trip

**Prices:** Prices are in US dollars and are per person, based on two (2) people sharing a stateroom or hotel room and are in US dollars. Cruise/tour prices are based on costs, charges, tariffs, rates, taxes, levies, and exchange rates as of March 4, 2010. Should the total cruise/tour price increase by more than 10%, passengers will have the right to cancel their cruise within 7 days of notification of the surcharge without penalty. No surcharges in respect of cost or currency fluctuations will be made once payment for the deposit of your cruise/tour is received. This does not apply to fuel surcharges and any taxes, charges, or levies imposed by any government or their agencies. A limited number of singles are available for an additional supplement.

**Reservations and Payments:** A deposit of at least \$200 per person is required at the time of reservation. Final payment is due at least 90 days prior to departure. Reservations will be canceled if final payment is not received in a timely manner.

**Items Not Included in the Published Price:** These include, but are not limited to, cost of passport and visas; taxes; excess baggage charges; laundry; all items of a personal nature; items not included on regular menus; expenses for additional sightseeing not specified in the itinerary; wine or liquor, unless indicated; gratuities; and health, accident, baggage, or travel protection plans.

**Cancellation Policy:** We hope nothing will come between you and your Uniworld vacation. Should you need to cancel your booking or any portion of it, your cancellation must be received in writing. It will be effective on the date of receipt. If you cancel your air arrangements eighty-nine (89) days or less before departure, penalties as shown below will apply to the price of the air. If you cancel your trip after you have received your air tickets from Uniworld, you must return the complete set of final documents, including the unused air tickets, to Uniworld before we can process your request. Any change or substitution of a passenger will be deemed a cancellation of the reservation and the applicable cancellation charges will be applied.

Cancellation charges, per person and based upon the date of cancellation, are as follows:

Cancellation Notice Received Before Tour Start Date	Cancellation Charges Per Person
90 days or more .....	\$200 nonrefundable deposit
89 – 60 days.....	35% of the fare**
59 – 30 days.....	50% of the fare**
Less than 30 days.....	100% of the fare**
No Show.....	100% of the fare**
**Fare is defined as the cost of any cruise, land, or air element purchased from Uniworld River Cruises, Inc.	

These cancellation fees are in addition to any cancellation fees that might be levied by your travel agent. There is no refund for unused services or for unused portions of the trip. For true worry-free travel, please see the Travel Protection Plan section of this brochure or visit our website at uniworld.com. The Travel Protection Plan premium is nonrefundable once paid to Uniworld.

**Gratuities:** It is our goal to ensure that the service you receive is as wonderful as the sights you see. While they are customary, gratuities, including the customary end-of-trip gratuity for the tour manager, cruise manager and crew, are not included in the price of your trip. The amount of the gratuity is entirely subject to your satisfaction with your travel experience.

**Documents:** Uniworld will send you a document packet 21 to 30 days before departure provided that Uniworld receives your completed Passenger Information Form and your booking is paid in full. Please be advised there will be a \$10 shipping/handling fee per booking added to your invoice for documents shipped via standard delivery service. For expedited two-day delivery service, a \$20 shipping and handling fee per booking will apply.

**Passport/Visa:** A valid passport is required to travel on all Uniworld programs. An Egyptian visa is also required to travel on all Uniworld Egypt programs. Passports must be valid for at least six (6) months after the scheduled return date of the trip. You should check with your travel agent or the US Consulate Service for information regarding necessary documentation. Non-US citizens must contact the appropriate consular office for entry requirements pertaining to your trip. Any visa(s) or other documentation required for a particular itinerary is the sole responsibility of the guest. As a courtesy, on our website, uniworld.com, in the "Before You Go" section, we offer a link

to a visa service company where you can obtain additional information. Obtaining and carrying these documents is your sole responsibility. Uniworld will not be responsible for advising and/or obtaining required travel documentation for any passenger, or for any delays, damages and/or losses, including missed portions of your trip, related to improper travel documentation.

Due to government imposed security/immigration measures, passport information and emergency contact information are required for all passengers prior to release of documentation.

## Your Flight

**Airfare and Air Add-ons:** Uniworld wants to help make your entire vacation smooth sailing, so we offer great values on airfares from most major cities in the US. Please contact your Travel Agent or Uniworld for the most up-to-date prices. As airfares are subject to availability, we encourage you to book early.

**Airline Cancellations:** If you, as the Passenger, choose to cancel your air arrangements eighty-nine (89) days or less before departure, then please refer to the Cancellation Policy section for the applicable cancellation policy and penalties that will be applied.

**Air Bookings, Restrictions, and Changes:** Airline tickets provided by Uniworld are subject to restrictions. All changes to air tickets issued by Uniworld must be processed through Uniworld. A \$50 per-person administrative fee and applicable airline change fees are assessed for any changes once air tickets have been issued. Airline penalties vary depending on the carrier and can be substantial. In some cases, you may lose the full value of the airfare that you purchased. TSA regulations require us to collect the full first, middle and last name as it appears on your passport or government-issued ID as well as date of birth. This information is required before we can accept your deposit and if not received will prevent your documents from being processed. Uniworld is not responsible for denied boarding or reissue costs due to an incorrect name supplied to Uniworld. Your flight schedule may require connections, overnight travel and/or forced overnights en route to or from your final destination, which may be at your expense. Flight itineraries provided prior to ticketing are subject to change without notice. Uniworld is not responsible for any inconvenience or any costs or fees incurred by delays, lost luggage, or disruption of air service. Air transportation is subject to the terms and conditions of the airline's ticket contract. Since Uniworld is not responsible for notifying you of flight schedule changes before or after the air tickets are issued, we recommend you contact the airline within 72 hours of departure to reconfirm your flights. Airline fuel surcharges may increase and will be your responsibility to pay unless your booking is already paid in full.

# Terms & Conditions

**Uniworld Custom Air Service:** To give you even more options and greater flexibility, Uniworld offers customized air reservations. This service is available for \$25 per person, plus any applicable increased air costs. (Requests must be received in writing, after the reservation is under deposit.) Once you have made your deposit, you may make your custom air request by submitting the Custom Vacation Planning Form on our website at uniworld.com. The service fee is non-refundable upon confirmation of the request.

**Seat Assignments and Special Services:** Requests for seat assignments, special meals and special services must be made directly to the airline. Some airfares used by Uniworld are not eligible for frequent flyer mileage.

**Airport/Ship Transfers:** If you purchase a Uniworld Air-Inclusive Vacation, you enjoy the special included convenience of scheduled group transfers between the airport and the ship/hotel on the day of arrival, and between the ship/hotel and the airport on the day of departure. There may be a waiting period between transfers of two (2) hours or more.

**Making Your Own Flight Arrangements:** Should you elect to make your own flight arrangements, Uniworld will provide complimentary scheduled group transfers to/from the ship/hotel as long as your flights arrive/depart in the cruise/tour starting/ending cities in accordance with the dates shown in this brochure and your flight arrangements comply with the Transfer Guidelines as shown below. If your flight arrangements arrive/depart outside of these parameters, you must make your own transfer arrangements. Uniworld will not be responsible for late arrivals or missed transfers due to delayed or canceled flights, for missed cruise/trip days, or for extra costs resulting from the foregoing. To qualify for transfers, it is required that flight information and pre-trip arrangements for all passengers making their own flight arrangements be given to Uniworld no later than 45 days prior to departure and conform to the following Transfer Guidelines:

## Transfer Guidelines:

Flights must arrive/depart within the following time limits:

	Arrival	Departure
Egypt	24 hours	24 hours
Extensions	24 hours	24 hours
Extra Nights	24 hours	24 hours

**Baggage and Personal Belongings:** Uniworld allows one (1) suitcase per person. Airlines may have additional baggage restrictions and may impose an additional charge at check-in for each checked bag; please contact your air carrier prior to your flight as baggage policies may differ and change frequently among airlines. Keep an eye on your baggage—it is your responsibility throughout the trip. Uniworld is not responsible for loss, theft, or damage to baggage and/or personal belongings. A protection plan covering lost, stolen, or damaged baggage is available through the Uniworld Travel Protection Plan.

## Additional Considerations

**Travel Protection Plan:** Uniworld makes every effort to ensure that your trip is safe and enjoyable. However, situations beyond our control may occur. Also, keep in mind that your health plan coverage for a stay outside the US may be limited. We recommend you obtain a travel protection plan. To help provide you with peace of mind, Uniworld offers a comprehensive travel protection plan. For details, please see the Travel Protection Plan section of this brochure.

**Itinerary Changes:** You can count on the value of Uniworld's experience and regional knowledge to make sure you enjoy your cruise/tour even when conditions beyond our control occur. The very nature of a river, its sources, and networks of bridges and locks, means that there will be times when weather or other conditions in a region require Uniworld to make adjustments and/or modifications to an itinerary. Although every effort will be made to keep itineraries, vessels, and hotels as they are shown in the brochure, Uniworld reserves the right to substitute itineraries, hotels or vessels. In such cases, we will do everything we can to make sure the locations visited, the excursions taken, and the hotels or vessels offered are similar to the ones originally planned. Any changes to itineraries will not result in eligibility for a refund. Itineraries are subject to change without notice and may need to be altered specifically because of water levels, wind factors, or other conditions.

**Extensions/Land Tours:** Uniworld reserves the right to reschedule and/or cancel land tours if the minimum number of participants (10 people) is not met or for safety reasons. If you, as the passenger, choose to cancel your pre or post cruise extension eighty-nine (89) days or less before departure then please refer to the cancellation policy section for the applicable cancellation policy and penalties that will be applied.

**Advanced, Canceled, or Delayed Sailing:** Uniworld reserves the right to cancel, advance, or postpone any scheduled sailing date and may, but is not obligated to, substitute hotels or vessels. Uniworld shall not be liable for any loss to you by reason of any such cancellation, advancement, or postponement. In the event of cancellation by Uniworld, your sole right of recourse shall be to obtain a refund of monies paid to Uniworld in connection with such cruise/tour.

**Health & Mobility/Medical Issues:** The Company strives to provide a safe, enjoyable and memorable travel experience for all passengers. The Company welcomes passengers with special needs or disabilities. However, please note the following:

- Passengers are required to advise the Company, in advance, of any physical, medical or other special needs that require accommodation.
- All guests must ensure they are medically and physically fit for travel. The Company may impose safety requirements necessary for the safe operation of the tour. The Company may also exclude an individual from participating in a tour or an activity if that individual's participation poses a direct threat to health or safety.
- The Company does not provide personal devices (such as wheelchairs, hearing aids or prescription eye glasses) or services of a personal nature (such as pushing a wheelchair or assistance in eating, toileting or dressing). A companion capable of providing such assistance must accompany any passenger who requires services of a personal nature.
- The Company does not employ medical personnel. Any necessary medical attention will be provided by a local facility at the passenger's expense. The Company is not responsible or liable for any losses or costs incurred as a result of medical services obtained while on tour, or for the quality of the care or services received.

Passengers should be aware some tours include rough terrain, extensive walking over cobblestone streets, uneven pavement, steps and locations which may not be easily accessible or accessible by wheelchair. During the tour, the Company may make arrangements with carriers, hotels and other independent suppliers to provide travel services. These parties are independent entities over which the Company has no control. Accommodations on international tours may differ from those in the United States. The Company cannot guarantee disability access or accommodations for passengers traveling on international tours. The Company may, in its sole discretion, decline the booking of any passenger or remove any passenger who cannot comply or refuses to comply with the Company's terms and conditions. The Company is not responsible for any costs incurred in the event a passenger is removed from a tour. Passengers agree not to hold the Company or any of its related entities liable for any actions taken under these terms and conditions.

# Terms & Conditions

**Young Travelers:** Guests who are less than 18 years of age must be accompanied by an adult who is 21 years of age or older. Adults accompanying children are responsible for their behavior onboard and onshore.

**Smoking Policy:** For the comfort of all our guests, smoking is only permitted on the sun decks of our river cruise ships. Smoking is not permitted on motorcoaches. On the *Prince Abbas* smoking will be allowed in all areas of the ship except for the restaurant, the library, and a small section of the bar. Onboard the *River Tosca*, smoking will be allowed in the Cigar Room.

**Diets:** Please advise the Uniworld reservation agent of any specific dietary considerations and we will do our best to accommodate your request.

**Pets:** Pets are not permitted on Uniworld trips.

**Your Egypt River Cruise:** We are confident your river cruise through Egypt will be an enjoyable and rewarding experience. Indeed, a cruise on the Nile River and/or Lake Nasser is the most comfortable way to experience this fascinating country. You will be traveling through a country that is continually changing. Many things are different from those at home, and what you might take for granted in Western countries may not be available during your cruise/tour. To make the most of your cruise/tour holiday through Egypt, please take along your spirit of adventure and willingness to be flexible and tolerant. You will be richly rewarded, because this river cruise/tour is more than just a vacation; it's a unique cultural experience you will remember and talk about for the rest of your life.
