

## The Celebrity X-Club

There's so much for your children to do in the Celebrity X-Club that keeps them engaged and having a great time in an environment designed just for them. A Welcome Aboard Orientation will fill you in on all the details of the X-Club. Plus, you're invited to stop by the Fun Factory with your children on the first day of your sailing for an Open House. They can explore all the possibilities and you can get answers to any questions you may have. You can also go ahead and get them registered for the activities that excite them.

From teen-oriented explorations and entertainment to special opportunities for toddlers and their parents to interact with each other, the X-Club is designed to make sure your children enjoy their Celebrity experience as much as you do. You can even join your children for X-Club Family Events like Karaoke, Family Disco, Bingo and more.

Programs are available year round from 9 a.m. each morning, or a half an hour before arriving in each port. Celebrity has five programs based on age:

### Toddler Time (under 3 years old)

Ship Mates(ages 3-6)
