

CARNIVAL SUNSHINE

January 8-16, 2016

If you've ever caught a sunrise or sunset at sea, you know that they're the most beautiful kind. The sun has set on Carnival Destiny, a legendary, recorded-setting ship from the day she debuted. The end? Nope-we've transformed this ship into something that shines even brighter. Meet the incredible light of a brand new dawn, **Carnival Sunshine**. One of the great vacations of your life can begin on Friday in Port Canaveral. On **St Maarten** you get the experience of visiting two island colonies in the same 37 square miles. Saint Maarten/Saint Martin's spicy marriage of Caribbean, French and Dutch cultures matches its physical diversity: the island is both urban and untamed, with rain forest-like landscapes, white beaches, and amazing caves and wildlife. As we port in **St Kitts**, which is lush and luxuriant, the exotic tropical island nation of St. Kitts and Nevis is a romantic paradise. St. Kitts' wonderful beaches remain relatively crowd-free, and nature lovers delight in seeing lava formations, tropical forest and lagoons and underwater marvels while snorkeling or diving. Next we will stop in **San Juan, Puerto Rico**. among more than 200 historical sites the festive city of San Juan is the perfect place to experience true Puerto Rican culture. Get to know its roots by exploring the vibrant neighborhood of El Viejo San Juan (Old San Juan), which consists mostly of Spanish colonial buildings. Flesh out your self-guided history lesson with a visit to El Castillo San Felipe del Morro, a 16th century citadel that's a UNESCO World Heritage Site. Then reward yourself with a cooling dip at Luquillo or Carolina Beach, then a tasty tour of the Bacardi rum plant. **Grand Turk**, Turks & Caicos, may be small, but it's packed with scenic punch and historic charm. Carnival® cruises to Grand Turk deliver you to an enchanted island outpost dotted with old windmills, grassy trails, and picture-perfect beaches. Discover an oasis of green set in aquamarine seas ringed by a pristine coral reef and the steep wall of the continental shelf. With so many activities, it will be hard to decide what to do first. Don't wait, sign up today!!
