

CORPORATE TRAVEL AND CONVENTIONS SERVICES

We offer efficient, inspiring, successful, cost-effective meetings.

From the site selection and contract negotiation to room block management and post-event audits, every service we provide, and everything we do is focused on maximizing your event/meeting ROI and making sure that all attendees talk about your event for as long as possible.

Site Selection

At no cost to you we research, create, and present a comprehensive report of all “best fit” venue options

Contract Negotiations

When it comes to negotiating your contract, we are unequalled. We secure the most favorable terms possible, and deliver measurable cost-savings

SMMP Services

With our Strategic Meetings Management we provide a disciplined approach to managing all enterprise-wide meeting and event activities

Conference Management

Whether you're hosting a board meeting for 35, a reception for 300, or a national conference for 3000, we're here to help

Housing Management

Maximize room block pickup, reduce slippage, minimize book-arounds, and avoid attendee attrition with our industry-leading Housing Management services... [More >>](#)

Registration Management

Simplify attendee registration management, and create a first-class impression with an efficient, easy-to-use registration process
