May 21 — London & Windsor Castle
Executive motorcoach provided for transfer from Heathrow to our London hotel, via Windsor. We will be met at Heathrow by a professional guide who will guide us during our visit to Windsor and then on to our hotel for check-in. Visit Windsor Castle, the largest inhabited castle in the world. It is one of the official residences of Her Majesty The Queen and remains very much a working royal palace. The magnificent State Rooms are furnished with some of the finest works of art from the Royal Collection. Queen Mary's Dolls' House is a masterpiece in miniature and St George's Chapel, in the castle precincts, is one of the most beautiful ecclesiastical buildings in England, where 10 monarchs are buried. Enjoy Lunch at a traditional pub. Afterwards continue into London where we enjoy a visit to a Private Garden. After a tour by the garden's creator and owner, we enjoy tea and homemade cakes, with the chance to talk to the owner about their garden. London is one of the world's most popular cities. People have flocked to the city for tourism and business alike for over two thousand years. Today London has the greatest concentration of major attractions in Britain, boasts four World Heritage Sites, and is renowned throughout the world for its shops, museums, parks and cosmopolitan life. Overnight at the Grange Strathmore Hotel London.

May 22 — Chelsea Flower Show: 100th Year Anniversary
Executive motorcoach and guide provided for a one-way transfer in central London to the Chelsea Flower Show. A ticket to Chelsea Flower Show is provided on Royal Horticultural Society (RHS) Members Day today. RHS Membership is provided. This is the ultimate event in the gardening calendar. May 23 — Hampton Court: Royal Palace & Gardens & RHS Garden Wisley
Executive motorcoach provided for a full day excursion to Hampton Court and Wisley. Service of professional tour guide provided for a full day. Visit Hampton Court, one of Britain's most magnificent Royal palaces. With stunning state rooms and over 60 acres of spectacular riverside gardens it is easy to see why King Henry VIII coveted the palace so much when it was the country home of Cardinal Wolsey. Henry ultimately claimed the palace for himself and so began 400 years of history as a Royal Palace. Continue this afternoon to visit RHS Wisley, the flagship garden of the Royal Horticultural Society. It boasts fantastic borders, rose gardens and glasshouses. Overnight at the Grange Strathmore Hotel London.

May 24 — London Free Day
Full day at leisure today. Overnight at the Grange Strathmore Hotel London.

May 25 — Chartwell: Family Home & Gardens of Sir Winston Churchill
Executive tour coach and tour guide services commence today. Enjoy a visit to Chartwell, the family home of Sir Winston from 1924 until his death. The rooms and garden remain much as he left them, with pictures, maps and personal mementos strongly evoking the career and wide-ranging interests of this great statesman. The beautiful terraced gardens give superb views and contain the lakes Sir Winston dug, the water garden where he fed his fish, and his garden studio in which many of his paintings are displayed. Afterwards continue to Maidstone, Kent. A traditional Pub dinner is provided this evening. Overnight at the Marriott Tudor Park, Maidstone.

May 26 — Maidstone, Kent: Canterbury & Goodnestone Park
Today we enjoy a full day excursion to Canterbury and Goodnestone Park. At Canterbury, visit the magnificent Norman Cathedral which dates back to 1070. Our cathedral guide will show us the shrine of Thomas a Becket, the Archbishop of Canterbury, who was murdered by King Henry II's soldiers in 1170. Take a 'behind the scenes' tour of Canterbury Cathedral. Behind the scenes a great deal goes on - some 220 people work on preparing Services, creating beautiful music, restoring the stained glass or conserving unique and rare books and documents, much as the monks did many centuries ago. Groups visiting the Cathedral can now experience
these fascinating aspects of Cathedral life. Visitors to Goodnestone are always surprised to discover such a haven of beautiful tranquility hidden away in south-east Kent. The gardens have many centuries of history behind them and have been created by generations of the FitzWalter family who have lived here since they built the house. The gardens have been brought to their present level of acclaimed quality during the last forty years. We enjoy Afternoon Tea at Goodnestone Park. Overnight at the Marriott Tudor Park, Maidstone.

**May 27 — Great Dixter & Sissinghurst Castle Garden**
Visit Great Dixter, a Tudor house with a famous twentieth century Arts and Crafts garden. Great Dixter was bought in 1910 by Nathaniel Lloyd, author of books on brickwork and topiary, and was restored by Edwin Lutyens. Nathaniel designed the framework of the garden and it has been planted with great flair by his son, Christopher Lloyd, author of many good books on plants and planting. Visit Sissinghurst Castle Garden, one of the world's most celebrated gardens. The creation of Vita Sackville-West and her husband Sir Harold Nicolson, Sissinghurst enjoys an intimate setting in the grounds of an Elizabethan mansion. It is a sophisticated garden where rare plants are neighbors to traditional cottage garden flowers in romantic little compartments filled with colorful floral displays. Overnight at the Marriott Tudor Park, Maidstone.

**May 28 — Leeds Castle & Chapel Down Vineyard**
Enjoy a visit to Leeds Castle. Sitting astride an island in the middle of a lake, the castle has long been a favorite of royalty and aristocracy alike, from King Henry VIII, who courted Ann Boleyn here, to Lady Baillie, who bequeathed a trust to preserve the castle for the nation. The castle houses fine collections of art and antiques and has splendid gardens and an aviary. Afterwards we head to Chapel Down Wines, where we enjoy a guided tour of the Vineyards, and a tasting. During the tour your experienced guide will explain about the history of English Wine, the methods used in the vineyards and the choice of grapes. The tour continues in the Winery where you will learn about the processes behind the production of still and sparkling wines. To complete the experience, all Guided Tours include a tasting of a selection of the award-winning wines. Overnight at the Marriott Tudor Park, Maidstone.

**May 29 — Penshurst Place & Gardens & Hever Castle: Home of Anne Boleyn**
This morning we visit Penshurst Place and enjoy a private guided tour of the House and explore the gardens. Set in the rural Weald of Kent surrounded by picturesque countryside and ancient parkland, Penshurst Place and Gardens has changed little over the centuries. This medieval masterpiece has been the seat of the Sidney family since 1552 and retains the warmth and character of a much-loved family home. Today, Philip Sidney, Viscount De L’Isle, continues the family guardianship of this wonderful old house and garden with his family. In the afternoon, we visit Hever Castle - once the childhood home of Anne Boleyn. Set in magnificent gardens from the majestic formal Italian Garden and topiary, to the informal meanderings of the lakeside and Sunday Walk. The Water Maze on Sixteen Acre Island and the Yew Maze challenges both adults and children alike! Farewell Dinner at a local restaurant. Overnight at the Marriott Tudor Park, Maidstone.

**May 30**
Depart for the airport and our return flight to Chicago where we will be picked up and transferred home.
